

THIS BILLBOARD counseling kempt coiffures for men is on Washington Ave. at the Webster School campus. Apparently it was not erected by the Barbers Union to stimulate barber business as the trade advanced its prices for

haircuts from \$2 to \$2.25 here, but put up as a contribution of the billboard industry to the discouragement of long-haired hippyism. (Daily Press Photo)

\$2.25 Tag Raises Hair For Clip

Escanaba's barbers are charging \$2.25 for a haircut now.

Asked how the public was taking to the change, Walter McNally of Harry's & Mac's Barber Shop, said "Some people have no sense of humor!"

"It's humorous when prices go up?"

"Well, we barbers have got to live, you know, and they raise our rent and we have to get it somewhere."

Mac says that the price of haircuts doesn't seem to have much influence on the periods between haircuts; that people don't save up their hair longer for the barber when he jacks up the prices.

People Complain

People who get their hair cut are sort of like drinkers; they do it whether they can afford it or not. But, of course, some of them complain about prices, particularly like now when prices are raised.

Ralph Sogard tells of a local man who complained to his barber that he shouldn't be charged \$2.25 for cutting his hair because he has so little of it.

"That's what I'm charging for," said the barber, "finding it, not cutting it."

On State Time

Bernard Brawley tells of the state employee who was reprimanded for getting a haircut during working hours and he defended his action by saying that his hair grew on state time, so he had it cut on state time.

"But it grows off state time, too," said his boss.

"Well, I don't get it all cut off," said the state worker, "only what grew on state time!"

MacNally started cutting hair in a CCC camp when the price was 25 cents a haircut. "And we didn't collect from most of

them," he said, "they didn't have anything to pay with; it's easier to get \$2.25 today than 25 cents then. At that time haircuts in town were 25 cents."

Faster Now

The use of electric clippers has speeded the haircut business, but Mac says it still takes up to 30 minutes to cut a head of hair, depending upon how much of it there is and whether it's like cornsilk or waste wire. "I had one customer, a doctor, who used to give me 7 minutes to cut his hair," said Mac. "When the 7 minutes were up he left, no matter how much hair he had left."

Most patrons don't care how much time the barber takes

once they get into the chair; their impatience is with the time he gives other patrons while they're waiting.

Barbers are inspected regularly for sanitation. They're quick to remind their patrons about the Delta County moonlight barber who spread ringworm to 11 of his cut-rate patrons recently. The state inspectors caught up with him. "They said that a barber squealed on him," said Mac "but it wasn't."

Well it needn't have been, with 11 dissatisfied customers trying to cure ringworm.

Wait Your Turn

Escanaba barbers say that a lot of mothers here cut their children's hair. They don't ob-

ject to that at all, as obviously the mothers can't afford to pay \$2.25 each for 7 children, because that comes to \$15.75.

Even the barbers can't afford to cut their own children's hair at present prices. They turn it over to their wives, like the barefoot shoemaker's children.

Barbers estimate that 25 per cent or more of Escanaba's men don't have their hair cut by union barbers. They go to a "kitchen" barber who does it for less than \$2.25.

Some of the kitchen barbers take care of their patrons by appointment. That's a better deal than you can get from a union barber shop, where you wait your turn to avoid ringworm.

Reds Demand Allies Halt DMZ Attacks

PARIS (AP)—North Vietnam demanded in the Paris talks today that the United States and its allies halt all attacks across the demilitarized zone into North Vietnamese territory and withdraw completely from the area.

Ambassador Xuan Thuy in a long statement directed at U.S. Ambassador W. Averell Harriman specifically demanded that the United States stop all firing of artillery across the zone.

North Vietnamese spokesman said Thuy linked the demand with North Vietnam's insistence that the United States must halt the rest of the bombing of the North and stop "all other acts of war" before the talks here can go on to other issues.

Scene Of Battles

The United States and South Vietnam have forces just below the demilitarized zone to counter North Vietnamese army regulars who allied commanders say infiltrate through the DMZ

and around its western end via Laos.

Allies have fought heavy battles in such places as Khe Sanh, Con Thien and Dong Ha in the DMZ area. So far as is known no allied forces are inside the DMZ, which divides the two Vietnams, although some forays have been made to attack enemy positions there. U.S. planes also have bombed the buffer zone from time to time.

In his opening remarks at the first full session Monday, Harriman called for a restoration of the DMZ as a nonmilitary buffer zone.

The two sides met for 3½ hours today and Harriman described the discussions as extensive and active. He did not elaborate.

Meet On Saturday

The negotiators decided not to meet again until Saturday.

Harriman spoke first today for an hour and Thuy for an hour and a half, each time in-

cluding translations.

Returning to the U.S. Embassy Harriman was asked by newsmen whether the United States favored a coalition in South Vietnam as one measure to bring about a peaceful settlement of the war.

"We have never been for a coalition government," he said, "and we will never be for a coalition government."

While the North Vietnamese briefing was under way on the Left Bank of the Seine, an American report to newsmen by spokesman William Jordan was given at the U.S. Embassy.

Harriman, Jordan said, told Thuy that there are "some specific and urgent steps which are vital to peace, and on which it should be possible to agree."

Fowler Approves Tax And Budget Cut Plan

WASHINGTON (AP)—The first break has developed in an otherwise solid administration front against \$6 billion in spending cuts as the price for congressional approval of the 10 per cent tax surcharge.

Secretary of the Treasury Henry H. Fowler's endorsement of the tax-spending package worked out by Senate-House negotiators came before the administration was ready to take a firm position on the compromise—if it planned to take any stand at all.

Administration leaders are still working to get the size of the spending cut trimmed if that's still possible. Fowler, in approving the compromise package, emphasized he spoke only for himself and not for the administration. But his opinion carries weight in the government.

The secretary is most concerned about what he considers an essential need for higher taxes. Fowler's endorsement of the tax hike-spending cut package indicates he, at least, is willing to pay a \$6 billion price if that's what it takes to get the surcharge.

But opponents of such a deep cut contend it would severely

restrict many government programs. One of these is President George Meany of the AFL-CIO, who said Monday the 14-million-member labor federation will oppose it "with all our strength."

Any cut above \$2.5 billion, Meany contends, "is going to hurt the poor people and hurt our programs on education and housing."

Johnson, while making clear he is reluctant to accept any significant budget slash, has said he would accept a \$4 billion cut in order to get the tax bill.

The Senate-House conference committee which reached the compromise last week approved virtually intact the administration's plan for the 10 per cent surcharge as it was outlined last January.

Even the effective dates would remain the same—April 1 for individuals and last Jan. 1 for corporations. There's still some doubt whether the tax plan will win final congressional approval but the batting in administration circles is that it will.

And the inside batting appears to lean toward President Johnson signing it, even if it also requires \$6 billion in spending cuts.

Heart Patient Stuckwisch Dies

HOUSTON, Tex. (AP)—John Stuckwisch, the world's 12th heart transplant, died Tuesday night. Doctors said ailments existing prior to surgery caused his death.

Stuckwisch, 62, received his new heart May 7 at St. Luke's Episcopal Hospital.

Three other patients who are living on borrowed hearts were reported doing well.

The Rev. Charles Boulogne, 45, a Roman Catholic priest, was described as in satisfactory condition in Paris, where he underwent surgery on Sunday.

Attendants said Fredrick West, 45, was "making good progress" in the 13th day since his operation was performed in London.

Philip Blaiberg, 58, has been out of the hospital in Cape Town, South Africa, for two months.

Tech Professor Gets Bronze Star

HOUGHTON (AP)—A former Ironwood man and Michigan Tech graduate recently received the Bronze Star for Vietnam service in a ceremony at the college he attended.

Army Maj. George T. LaBlonde Jr., an assistant professor of military science at Michigan Tech, won the award for service as an engineer advisor to the Republic of South Vietnam's 21st Infantry Division.

Bobby Tops Gene 5-3 In Nebraska Primary

Kennedy Magic, Money Spurs Past McCarthy

OMAHA, Neb. (AP)—The appeal to voters of the Kennedy name—and a drawing account on the millions behind it—have helped speed Sen. Robert F. Kennedy further along the road toward the Democratic presidential nomination.

The Kennedy organization sideswiped Sen. Eugene J. McCarthy, D-Minn., in Nebraska's primary Tuesday, sending the first-out opponent of President Johnson's policies bumping to the brink of disaster.

McCarthy's casual acceptance of the short end of a 51-31 percentage of the Democratic vote did little to support his optimistic post-ballooting prediction that he will run even with Kennedy in the May 28 Oregon primary and may win the June 4 California test.

The truth of the matter, as most politicians see it, is that McCarthy is now a poor third in the Democratic race. It would take a brace of victories to boost him back into a top running position.

Kennedy said as much by naming Vice President Hubert H. Humphrey as his chief target in future campaigning and inviting McCarthy to join him in combatting Humphrey as the apostle of what Kennedy calls the Johnson administration's unsatisfactory policies.

Kennedy demonstrated in just about every category of Nebraska voter—city dwellers, farm voters, blue collar workers, Negroes and ethnic groups—the immense appeal he can project.

But his victory was not left to chance. It was wrapped up and delivered in an intensive and expensive campaign that followed the pattern he laid down in Indiana.

The Kennedys simply smothered McCarthy. Those who hoped that Johnson, with his name on the ballot despite his withdrawal, and a Humphrey write-in would deny Kennedy the majority he couldn't get a week earlier also were losers.

Dedicate Building

DETROIT (AP)—Lawrence Institute of Technology dedicates its new \$2.5 million science building Sunday.

Galbraith Speaks

ALBION (AP)—Albion College has announced former U.S. Ambassador to India John Kenneth Galbraith will be its commencement speaker June 2.

Admiral Kimmel, 86, Dies Tuesday

GROTON, Conn. (AP)—Retired Rear Adm. Husband E. Kimmel—commander of the U.S. Pacific Fleet on Dec. 7, 1941 when Japanese bombers caught it anchored in Pearl Harbor—is dead at 86.

Japan knocked out 18 ships and killed 3,435 Americans in the attack and drew the U.S. into World War II.

Kimmel died Tuesday of an apparent heart attack at his home here.

He had used much of his time since 1941 answering charges that he was to blame for the ease with which the Japanese brought off America's worst naval defeat.

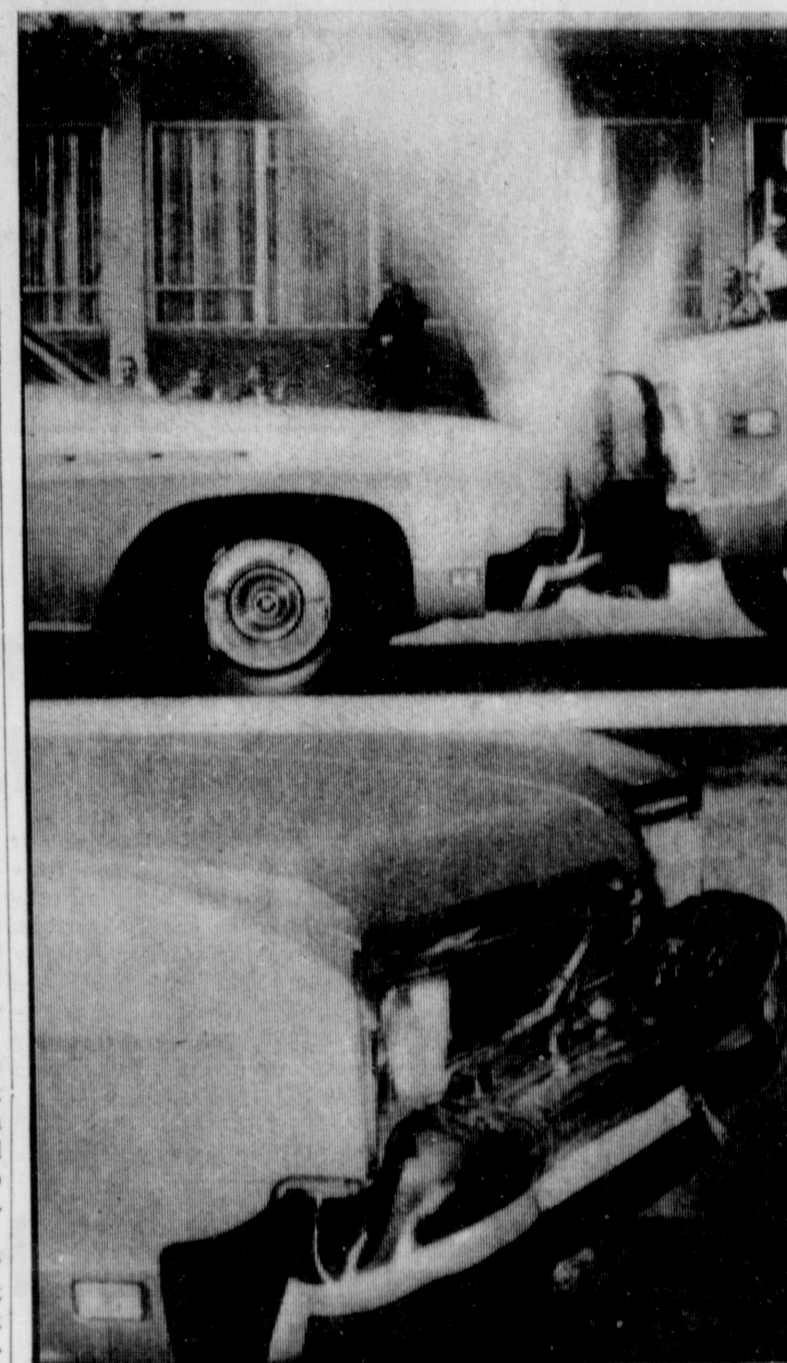

Kimmel, who at the time was second in the U.S. Navy only to the chief of naval operations, said in 1966 he had taken "a bum rap."

"My principal occupation—what's kept me alive—is to expose the entire Pearl Harbor affair," he said.

"They made me the scapegoat," he said, "they wanted to get the United States into the war."

"That was President Roosevelt and Gen. George Marshall and others in the Washington high command," Kimmel explained.

"FDR was the architect of the whole business. He gave orders—and I can't prove this categorically—that no word about Japanese fleet movements was to be sent to Pearl Harbor except by

SPECIAL WATER-FILLED BUMPERS are being installed on 15 Flint Police cruisers to lessen impact damage in collisions. These photos show the water-spraying impact (top) and the minor damage (below.) The water spray might also clean the windshield. (AP Wirephoto)

Court Revamp Is Killed In Senate

LANSING (AP)—A quick revival has been promised for the much-disputed lower courts reorganization bill apparently voted to death in the Senate Tuesday.

Although the measure was voted down, 14-15, Sen. Emil Lockwood, R-St. Louis, Senate Republican leader, said he plans to immediately introduce a substitute.

A bill allowing a proposed \$335 million bond issue for water pollution control passed its last legislative hurdle when it cleared the Senate 29-0.

The bill now goes to the House for enrollment and presentation to the governor. Gov. George Romney, who asked for the legislation, is sure to sign it.

This will put the issue on the Nov. 5 ballot where it only needs

a simple majority for approval by the voters.

The multi-million dollar bond issue is intended to finance water pollution control, primarily through loans to local units of government for the construction of sewage treatment plants.

Romney expressed concern about the court bill when he heard of the unfavorable vote at the initial test. But the governor indicated he expects a happy ending.

"I am confident that this single vote does not kill such legislation and that an acceptable plan will ultimately be passed," Romney said.

"A system of lower courts is urgently needed this year if we are to avoid confusion in the administration of justice."

"I am confident," the governor said, "in the ability of this Legislature to accomplish this task and to create a lower court system which will give equal and efficient justice to the people of Michigan."

Plane Crash At Pellston Kills 4

PELLSTON (AP)—A private plane crashed near the Pellston Airport Tuesday night, killing at least four persons.

State Police said the tangled wreckage was not discovered until about 5 a.m., some six hours after the airport lost voice contact with the craft as it was attempting to land at the fog-shrouded strip.

An Air Force helicopter was dispatched to the scene to search for the plane. The wreckage was found by a search party on foot, however. It was about two miles northeast of the airport.

Killed were Milford E.H. Saunders, 32, of Charlevoix, vice president and general manager of the East Jordan Iron Works; Robert G. Lee, 41, of Charlevoix, and Robert Kotesky, 32, of Boyne City, accountants with the firm, and the pilot, Alfred Phillips, 50, of Conway, owner of the Phillips Flying Service of Harbor Springs and Pellston.

Kotesky, was a member of the Boyne City School Board and also was office manager of the Iron Works firm.

Today's Chuckle

Once there was a young man who nicknamed his girlfriend "Appendix," because it cost so much to take her out.

Humphrey Men Say Delegate Victory's Near

By The Associated Press
Sen. Robert F. Kennedy has rolled up a decisive Democratic presidential victory in Nebraska but Vice President Hubert H. Humphrey's backers claim he already has almost enough delegates for the nomination.

Kennedy—defeating Sen. Eugene J. McCarthy some 51 per cent to 31 in Tuesday's voting—invited McCarthy to join forces with him. McCarthy promptly turned him down.

Republican candidate Richard M. Nixon got about 70 per cent of the vote. California Gov. Ronald Reagan got 22 per cent and New York Gov. Nelson A. Rockefeller got a write-in of about 5 per cent.

Reagan said he was surprised by his showing and repeated he would accept the GOP nomination if it were offered but said he "could not now foresee myself soliciting the job."

Humphrey backers said the Kennedy-McCarthy outcome was not surprising. They claimed the real significance was a CBS forecast that Humphrey would get 1,265 of the 1,312 first-ballot convention votes needed for nomination and Kennedy would get 585.

Humphrey got a write-in vote of nearly 10 per cent in Nebraska.

Kennedy said he had proven in Nebraska his strength among farmers, blue collar workers and suburbanites—voting groups, he said, among whom he had been called weakest.

The New Yorker once again proved his appeal among Negroes, rolling up 90 per cent of the vote in predominantly Negro neighborhoods. Most of Nebraska's 51,000 Negroes, who represent some 3 per cent of the population, live in Omaha.

He held the lead in virtually all of Nebraska's 93 counties, ranging from the cities and suburbs of Omaha and Lincoln to the rural farm country.

A random sampling showed him with 55 votes to 22 for McCarthy, 16 for the rest of the field in an Omaha precinct in which blue collar workers live and organized labor is strong.

But McCarthy ran closer than that in much of the farm country and ran a dead heat with Kennedy in Lincoln, site of the state university and Nebraska's second city.

Humphrey's campaign chairman said the Nebraska outcome was no surprise. The vice president had disavowed the informal write-in movement conducted for him.

Its promoters had never set a vote target, but they clearly had hoped for more than they got. Humphrey came to Omaha Friday night on a Democratic fund raising mission. The vice president became a candidate too late to enter any primaries.

Republican Nixon said he had expected to do well in Nebraska—but surpassed his own estimates. He campaigned here for two days, was hunting votes in Medford, Ore., when the results were tallied.

In West Virginia's primary, Rep. Arch A. Moore Jr. appeared to have won the Republican gubernatorial nomination over ex-Gov. Cecil H. Underwood. Atty. Gen. C. Donald Robertson had a perilously thin lead over state Democratic chairman James M. Sprouse for the Democratic nomination.

John D. "Jay" Rockefeller IV, nephew of the Republican New York and Arkansas governors, swamped two opponents to win the Democratic nomination for West Virginia secretary of state.

In other political developments: —Adam Clayton Powell filed petitions in New York to run for re-election to the Harlem congressional seat from which he has been excluded for 16 months.

—Nixon, campaigning for Oregon's May 28 primary vote, said grievances involved in the Poor People's Campaign in Washington are genuine but "more welfare from Washington will not buy human dignity."

—Humphrey, making a campaign swing into a Negro area of Detroit, said the techniques of foreign aid should be applied to the "ghettos and slums" in American cities.

Weather

ESCANABA AND VICINITY—Fog clearing, partly sunny and warmer this afternoon, high 77. Showers and thundershowers tonight, low 43. Showers ending early Thursday. Clearing Thursday afternoon and cooler. Mrs. Crawford Dies Tuesday

Mrs. Olive M. Crawford, 80, of 136 N. Colton Ave., Manistique died Tuesday afternoon at Schoolcraft Memorial Hospital.

She was born Jan. 20, 1888 in Ontario, Canada and came to Manistique in 1895. She attended the Manistique Public Schools. She married James F. Crawford, May 20, 1906 and he died in 1947.

Mrs. Crawford was a member of the United Methodist Church, WSCS, Ida Chapter 54, OES and the Rebecca Lodge.

She is survived by one son, David of Manistique; two daughters, Mrs. Percy (Eleanor) Walker of Grand Rapids, Mrs. Albert (Clara) Mersnick of Manistique, 11 grandchildren and 19 great grandchildren. A son, Robert, preceded her in death in July of 1966.

Friends may call at Messier-Broullre Funeral Home after 3 p.m. Thursday and funeral services will be conducted at 2 p.m. Friday at the funeral home. The Rev. William Kelsey will officiate and burial will be in Fairview Cemetery.

Members of Ida Chapter 54, Order of Eastern Star, will meet at the funeral home to conduct memorial services at 8 p.m. Thursday.

BILL VANEFFEN, left, and Robert Chase, director of the Escanaba Area High School Concert Orchestra, review the score of "Rhapsody in Blue" which VanEffen will play as piano soloist with the orchestra Thursday night. Time for the concert is 7:30 p. m. at William W. Oliver auditorium. (Daily Press Photo)

Area Orchestra To Feature VanEffen, 'Rhapsody In Blue'

Talented Bill VanEffen, son of Mr. and Mrs. William J. VanEffen, 1014 S. 15th St., will be featured as piano soloist Thursday night as the Escanaba Area High School Concert Orchestra presents George Gershwin's popular "Rhapsody in Blue."

The selection is part of the orchestra's program in the Spring Concert by the Orchestra Dept. at William W. Oliver auditorium in the junior high school.

The 7:30 p.m. concert is the third in the spring series by the music department of the Area public schools.

A junior at the high school, VanEffen is well known in the Escanaba area for his fine organ playing. He has performed on numerous occasions locally during the past few years. He also plays alto saxophone in the high school band and was featured as a student conductor at the spring band concert.

Bill was formerly the piano student of Mrs. Marian Groos and presently studies with Mrs. John (Ruth) Chown. This spring he won top honors in the piano division at the U.P. Solo and Ensemble Festival at Northern Michigan University, Marquette.

"Rhapsody in Blue" was composed in 1924 when Gershwin was commissioned by Paul

Whiteman to write a symphonic jazz work to celebrate Lincoln's Birthday in a special concert. Gershwin completed it in three weeks. Written originally for piano and jazz band, the "Rhapsody" was soon so popular that it was rewritten for concert orchestra by Ferde Grofe.

Today, "Rhapsody in Blue" is the most frequently performed

piece of American music in the orchestral repertoire.

Sharing the stage with the Concert Orchestra will be the 30-piece Junior High String Orchestra, directed by Mrs. George Embs.

Admission to the concert is free. A free will offering will be taken for the summer Music Camp Scholarship Fund. The public is invited.

Natural Hatch Of Coho Salmon Is Widespread

LANSING — Recent field reports of the Conservation Dept. indicate there is a widespread hatch of coho salmon this spring in northern Michigan streams where these fish returned to spawn last year and in new waters where they were transferred to test their natural reproduction.

Department fish men report that baby coho are coming out of gravel spawning beds and beginning to feed in the Ocqueoc, Big Huron, Pine, Manistee, Platte, Boardman and other rivers.

Among those "encouraged" by these developments is Department trout and salmon specialist Dave Borgeson.

"This is on more good indication that coho are adapting well to Michigan waters, but it isn't the whole story by any means, Borgeson said.

His qualifying comments are tied to the fact that these tiny fish, now about 1½ inches long, still face a year of stream life before they will be mature enough to move into the Great Lakes.

"The salmon have a lot of roadblocks to pass between now and then, and warm water in the summer plus predation are probably the biggest. Also, these fish will have to find sufficient stream food to carry them through their first year," Borgeson noted.

The salmon specialist expects

more than 90 per cent of the young coho to be lost before next spring.

He explains that stream habitat is the make-it or break-it factor in the survival of young salmon to the smolt stage. High fish losses occur under natural condition because streams cannot support anywhere near the large number of young salmon that are hatched.

Borgeson doesn't expect this spring's hatch of baby coho to put any excessive stress on native trout populations. He reports that Department fisheries men will closely monitor the young salmon to get a reading on their survival to the smolt stage next spring.

World's deepest producing well and the world's deepest dry hole both are in Pecos County, Tex.

Stephen Kujala, Accident Victim

Stephen Kujala, eight year old son of Mr. and Mrs. Leslie Kujala of Kingsford, formerly of Escanaba, was seriously injured Sunday, May 5, when he was accidentally struck in the head with an iron rod. He died enroute to a Green Bay hospital.

Surviving besides his parents are seven brothers and four sisters. Funeral services and burial were held in Kingsford on May 8.

Campground

A new 80 unit campground with toilet building, water and electricity is under construction at the Straits State Park, St. Ignace, and is expected to be completed by July 1. All roads in the older 150 lot campground received prime and double seal coats last fall. A new bridge overlook will be available in the picnic area.

Trappers Take Fewer Beaver

Upper Peninsula trappers took 9,369 beaver this spring, compared to 10,596 in 1967, a drop of 11.5 per cent. However, the 2,061 beaver licenses sold this spring were 20 per cent less than the 2,491 sold last year. In spite of the drop in trappers, 561 otter were taken, 26 per cent more than last year's 443.

The price offered for beaver pelts was slightly higher than last year's and the price offered for otter pelts was less. Trapping conditions across the peninsula were excellent this spring although very few trappers took advantage of the early March opening in the western Upper Peninsula.

This season's U.P. take: District 1 (Baraga, Gogebic, Keweenaw, Houghton and Ontonagon counties), 854 licenses

sold, 3,944 beaver pelts sealed, 179 otter.

District 2 (Iron, Dickinson, Menominee counties), 335 licenses, 1,408 beaver, 133 otter.

District 3 (West Alger, Delta, Marquette), 478 licenses, 1,813 beaver, 125 otter.

District 4, (East Alger, Schoolcraft, Luce, Chippewa, Mackinac), 494 licenses, 2,204 beaver, 123 otter.

Park Work

Renovations on the south campground toilet building at Wells State Park, Cedar River, are completed and will be available for full use this summer. Eight new park tables will be available in the park and a new bulletin board will be found in the campground.

Mrs. H. Feiner Taken By Death

Mrs. Lillian Feiner of St. Paul, Minn., daughter of the late Mr. and Mrs. Julius Johnson of Bark River, died suddenly at her home on May 11. Survivors include her husband, Henry; seven children; three sisters and three brothers.

Funeral services and burial were held in St. Paul on May 14.

College Groups Sing Thursday

Bay de Noc Community College will present a vocal concert Thursday at 12:30 p.m. in the college student center.

Featured in the program will be the College Madrigals consisting of 14 mixed voices directed by Mrs. Marie K. Peterson. The Madrigal group will sing a number of Old English Madrigals along with sacred and popular songs.

A section of the program will be dedicated to the Broadway musicals that have been performed in Escanaba by the Players de Noc, the Escanaba Area High School and Holy Name High School. The Madrigals will sing chorus songs from "Oklahoma," "Guys and Dolls" and "The Music Man," and soloists, Joan Rinehart, Michael Yuenger and Carol Paulson, will sing some of the hit tunes.

A folk singing trio, formed this semester at the college by Diane Sjoquist, Jerry Erickson and Ross Feak, will sing four selections.

A women's quartet, "The Missettes" from Gladstone who previously toured with the Barbershoppers, also will sing. Members of the group are Donna Young, lead; Diane Sjoquist, tenor; Susan Nyberg, baritone and Linda Rockberg, bass. All are freshmen at the college.

The Vocal Department's accompanist, Ned Vanders, a student of Mrs. Helene Merki in Gladstone and a sophomore at Bay, will play the 1st movement of the Grieg Piano Concerto, Op. 7.

The college groups today performed for Rock and Gladstone High School assemblies.

Tomorrow's concert was set for 12:30 because of the tight schedule of evening concerts in the area.

The public is invited to attend. Admission is free.

Circuit Judges Convene Here

Circuit Court Judges of the Upper Peninsula and northern Lower Michigan convened at the House of Ludington today in the annual Regional Conference of Circuit Judges.

Judge Bernard H. Davidson of Marquette, conference chairman, said the meeting would be devoted to discussions of various court procedures, including restraining orders, injunctions, summary judgments, attorney fees on appeals in indigent cases and allowances of court costs in civil cases, etc.

Michigan Supreme Court Justice John R. DeWitt, East Lansing, was expected to speak to the judges at a noon luncheon session.

Davidson is Circuit Judge for the 25th judicial district which includes Delta and Marquette counties.

Other Circuit Judges attending the meeting include: Ernest W. Brown, Iron Mountain, 41st Circuit; George Baldwin, Munising, 12th Circuit; Stephen Condon, Houghton, 11th Circuit; Donald Munro, Ontonagon, 32nd Circuit; Edward Fenlon, Petoskey, 33rd Circuit; James R. Rood, Midland, 42nd Circuit; Robert Campbell, Claire, 21st Circuit; Allen C. Miller, East Tawas, 23rd Circuit, and Charles Brown, Traverse City, 13th Circuit.

Leningrad is the second largest city in the U.S.S.R., according to the Encyclopaedia Britannica.

RECEIPTS OF \$1,343 from Gladstone for the Delta County Cancer Crusade were turned over to John LaBranche, left, crusade chairman, and Jack Beck, past crusade chairman, by Mrs. Nettie Lundmark. LaBranche said that collections in Gladstone this year reached an all-time high and were substantially over last year. Mrs. Lundmark is secretary of Minnawasca Chapter 96, Order of Eastern Star, which coordinated crusade activities in Gladstone. LaBranche credited the Eastern Star for the success of the Gladstone campaign. (Daily Press Photo)

Driver Asks Examination

The driver of an automobile that struck and fatally injured one boy and critically injured another in an accident in Gladstone Monday night will receive examination on a negligent homicide charge in Municipal Court in Escanaba on May 21.

Ronald J. Destrampe, 31, of 1318 Minnesota Ave., Gladstone, demanded examination in Municipal Court on Tuesday.

Negligent homicide is a Circuit Court offense, and at the examination it will be determined whether he is to be held for trial. The charge against Destrampe was brought by the Delta County prosecuting attorney's office after Assistant Prosecutor James Chapek conferred with Gladstone Police Chief James Norick and Destrampe.

Douglas Alex McKnight, 8, of 601 Delta Ave., was killed, and his companion, Thomas Demuse, 11, the son of Mr. and Mrs. Norman Demuse of 617 Superior Ave., was injured in the accident that occurred at N. 9th St. and 4th Ave.

The Demuse boy today continues in critical condition, it was reported at St. Francis Hospital.

The two boys were on one bicycle at the time of the accident, 8:50 p.m. Monday. They and Destrampe were both traveling south on N. 9th St. Destrampe had Michael B. Kadlitz, Rapid River, as a passenger in his car.

Highland Ladies Schedule Opening Dinner, Meeting

The opening meeting for the members of the Highland Golf Club Women's Association for this season will be held on Wednesday, May 22.

The business meeting will begin promptly at 6 p.m. and also at this time, plans will be announced by the bridge league and golf league chairmen.

Registrations for these leagues will be taken as well as signatures for the permanent reservation list. Dinner will be served from 7 until 8 p.m.

The committee for this first dinner will be the officers of the association: General Chairman, Mrs. William G. Daniels; Secretary - Treasurer, Mrs. Donald Nelson; Golf Chairman, Mrs. David Friets; Golf Handicap, Mrs. Carl Friets; Bridge Co-Chairmen, Mrs. Lawrence Erickson and Mrs. Edmund Hengesh; Publicity, Mrs. Edward McCarthy; House, Mrs. Allan Davidson.

Reservations must be made by Monday night, May 20. This is a closed meeting and members are asked not to bring guests. Reservations may be made with Mrs. William G. Daniels, 786-1799 or by calling the club, 466-7457.

Obituary

JOHN HORNEY

Complete funeral services for John Horney were held at 2 p.m. today at the Anderson Funeral Home with Rev. John J. Wendland officiating. Burial was in Lakeview Cemetery.

Cancer Drive Gains Reported

The 1968 Cancer Crusade in Delta County is developing into one of the most successful campaigns in recent years, Crusade Chairman John LaBranche said today.

LaBranche announced that the crusade is about 60 per cent complete.

The goal is \$8,500. "There are still several areas in the residential section not finished, but area chairmen report their crusaders are rapidly nearing completion," LaBranche said. "The township solicitation, despite being widely spread out, also is progressing well."

The Crusade got off to a slow start this year because of adverse weather and Easter vacations, but due to the hard work of the volunteers workers it is now back on schedule, LaBranche reported.

"It is very gratifying to see so many people expended so much energy for such a worthwhile cause," he said "Because of the efforts of those individuals and the generosity of our area residents many people will benefit."

LaBranche said that persons who have not been contacted should still expect calls from crusade volunteers. Anyone may also mail contributions to the Delta County Cancer Society, Escanaba Daily Press, Escanaba.

The German language is the native tongue of approximately 100 million people.

Mrs. Wm. Niles Board Accepts Taken By Death Site Work Bid

Mrs. Sylvia Anna Ida Niles, 56, of 425 S. 16th St., died at 5:55 p.m. Tuesday at St. Francis Hospital where she had been a patient for 10 days.

She was born in Merrill, Wis., June 26, 1911 and was a member of the First Presbyterian Church and the Auxiliary to the Order of the Ax.

She is survived by her husband, William; two daughters, Mrs. Robert (Jill) Rockey of Cicero, Ill., and Miss Patricia Niles of Chicago; one son, Jack of Escanaba and two grandchildren; two sisters, Mrs. Fred Hienemann of Chicago and Mrs. George Streeter of Warsaw, Wis.

Friends may call at the Anderson Funeral Home from 4 to 9 p.m. Thursday and funeral services will be conducted at 1:30 p.m. Friday at the funeral home chapel with Rev. Philip Lyon officiating. Burial will be in Gardens of Rest Cemetery.

The platform strapped on the back of an elephant is called a howdah.

Krygoski Construction Co. of Menominee and Northern Asphalt Co., of Escanaba were awarded the site development contract for three new Escanaba elementary schools Tuesday night by the Escanaba Area Board of Education.

The two firms bid jointly on the projects.

Their low bid of \$15,348.85 was accepted by the Board of Education pending the posting of a performance bond.

The only other bid received was from Art DeGrand of Escanaba.

Work was authorized under the 1966 Building and Site fund from the bond issue which financed construction of the new Washington, Jefferson and Franklin schools plus additions to the Lemmer, Wells and Soo Hill schools.

Costs for the site work will be paid from about \$17,000 remaining in the fund. The board, under law, cannot use the money for other purposes.

Involved in the site work will be recontouring, topsoiling

and seeding the Washington School site, paving of playgrounds at Washington, Franklin and Jefferson and installation of cyclone fencing at Washington and Franklin schools.

In other business, the Board approved sending the High School marching band to Sault Ste. Marie to perform in the Tricentennial parade Aug. 17 as long as expenses of the band do not result in costs to the school district.

The Board authorized advertising for bids to repair roofs at the Soo Hill, Wells, Pine Ridge, Ford River, Cornell and Webster schools and also approved hiring of five new teachers for the 1968-69 school year.

New teachers hired were Joseph Petrin, to teach Junior high math, and elementary instructors Judith Martin, Linda Severe, Donna Lopeman and Lois Howard.

One Seat Open On Holy Name School Board

Rev. Lawrence Gauthier, deputy superintendent of Catholic schools, announced Tuesday that interested candidates for the Holy Name Board of Education may obtain nomi-

nating petitions at the superintendent's office at the high school.

One three-year term will be open in the spring election. The term of Roger Murray expires. Twenty-five signatures of properly registered parishioners must be filed by candidates at the superintendent's office by 3 p.m. Monday, May 20.

Ballots will be mailed by May 26 from each parish and must be returned by 3 p.m. May 30 to the high school to be valid. All Catholic parishioners over 18 years of age are eligible to be candidates if they are registered in any of the following parishes: St. Joseph's, St. Patrick's, St. Anne's, St. Thomas of Escanaba, All Saints of Gladstone, Holy Family of Flat Rock, St. Anthony of Wells, St. George of Bark River, Sacred Heart of Scharfer and St. Michael's of Peronville and its missions.

Marcantonio Is Elected Head Of State Group

The Michigan Council of Administrators of County Medical Care Facilities, meeting recently at Kellogg Center, East Lansing, elected Gene L. Marcantonio, administrator of Pinecrest Medical Care Facility of Powers, to the office of president of the Michigan Council of County Medical Care Facility Administrators.

Membership in the Council now totals 43 County Medical Care Facilities, of which Pinecrest is the only multi-county operated facility in Michigan. T. R. Wirtanen of Wakefield, administrator of Gogebic County Medical Care Facility was elected district director of the Upper Peninsula District of the Michigan Council, and will be on the Board of Directors.

The Michigan Council of Administrators recently accepted as associate members the Michigan County Social Services Association, consisting of all county welfare directors and welfare board members.

Marcantonio will hold office until May 1, 1969. He has been administrator of Pinecrest Medical Care Facility for the past six years. Prior to his Pinecrest appointment he was administrator of the Houghton County Medical Care Facility for three years.

OFFICERS OF THE newly-formed Bay de Noc Community College Alumni Association are, back row from left, Oliver Turan, president; Jean Rockman, corresponding secretary; John Sheldner, advisor; front row from left, Karen Olson, secretary, and Connie Druding, treasurer. Robert Fuller, vice president, was absent when the picture was taken.

College Alumni Group To Meet

Bay de Noc Community College Alumni Association will hold a general meeting 7:30 p.m. next Monday at the American Timber Homes model home on U.S. 2 and 41 between Escanaba and Wells.

Dr. Richard Rinehart, president of the Community college will explain the role of the Alumni Association and also

detail plans for future growth and development of the college. Association members will discuss ways and means of expanding membership, by-laws, development of scholarship funds, and plan a reception for the Bay de Noc Community College graduates.

Refreshments will be served. Music will be available for an informal dance following the general meeting. Interested graduates from this year's class and former college students are invited to enroll in the Alumni Association.

Alumni Association officers elected for this year are: President, Oliver Turan; Vice President, Robert Fuller; Secretary, Karen Olson; Corresponding Secretary, Jean Rockman; and Treasurer, Connie Druding. John Sheldner, director of student personnel services at the college, is the Alumni Association advisor.

Powers-Spalding

Home And School St. Francis Xavier Home and School Association will meet at 8 p.m. Thursday in the parish hall. During the program children of the 5th and 6th grades will portray the life of Father Marquette in song and story. A social hour will follow.

Jensen Asks Continued Fight Against Lampreys

STEVENS POINT, Wis. (AP)

—The Northern Great Lakes Resources Development Committee was asked Tuesday to help improve port facilities for farmers, oppose reductions in federal aid for lamprey control, and set up a model lumber mill in Michigan's Upper Peninsula.

The committee, studying the economic outlook for 118 counties in northern areas of Minnesota, Wisconsin and Michigan, postponed decisions on the requests until Wednesday.

Roy Jensen of Escanaba, Mich., executive secretary of the Michigan Fish Producers Association, said that despite successes in controlling the lamprey in Lakes Superior and Michigan, funds are still needed for the fight in Lake Huron.

The U.S. and Canadian Great Lakes Fisheries Commission, he said, is scheduled for a \$150,000 funds reduction under Johnson administration economic proposals which could harm the lamprey program.

The lamprey, a predatory fish which found its way to the Great Lakes, attaches itself to—and

feeds on—other fish.

Jensen said a reduction of lamprey control programs would affect commercial fishing, and could jeopardize Michigan-Wisconsin efforts to stock lakes with salmon.

Gilbert Rohde, president of the Wisconsin Farmers Union, asked the committee to study improved port facilities for shipping livestock as well as grain.

The committee is considering a plan for setting up a corporation in the Upper Peninsula to market logs through a demonstration mill.

Lloyd Palmer, executive secretary of the Wisconsin Timber

Producers Association, questioned whether it would be a proper investment if it were to compete with existing lumber operations.

"But it would be worth it if it taught safety in Michigan," he added, referring to differences in Workmen's Compensation insurance in the three state's timber industry.

Palmer said the insurance costs \$27.24 per \$100 of payroll in Michigan, calling it the nation's highest rate.

Minnesota's rate, he said, is \$22, and Wisconsin's is \$9.80—reflecting Wisconsin's strict safety codes.

Ag Commission Meets In Holland

LANSING (AP) — The Michigan Agriculture Commission has announced that its May meeting will be held today and Thursday at the Holland Civic Center. On the tentative agenda are reports on the status of federal-state meat inspection, state program planning and budgeting, the proposed Michigan Dairyman's Grade A marketing program and pesticide developments. Also up for consideration are proposed regulations dealing with seed potato certification and with saliva and urine testing of horses in competition.

Virginia Dare, first white child born in America, was born on Roanoke Island, Va., now part of North Carolina.

INDIAN LAKE CLUB HOUSE, scene of this year's U. P. Women's Invitation Golf Tournament. (Photo by LeBrasseur)

Hewitt Site Suggested For Recreation Building

City Council went into executive session following Monday's night meeting to consider a request from the Manistique Recreation Board that the city match funds with the Board for a bid on the Wilfred Johnson property.

Denton Nelson, appearing before the council on behalf of the Recreation Board, said that it is the desire of the board to bid on the old Hewitt Grocery Co. building owned by Johnson and now being foreclosed.

Nelson said the Recreation Board plans to develop the quarry site as a city recreational area and that the property was vital to this development.

Use Armory Money

The Recreation Board is investigating the possibility of using the money originally earmarked for an Armory building. This money has reverted to the city and must be used for recreational development now that the time limit on its use for an Armory building has expired.

City Manager Robert Noe said Tuesday morning that council expressed interest in the proposal and would probably go along with the shared-bid proposal.

Louis Mercure, N. First St., addressed the council requesting that the second block on N. First St. be sealcoated this spring.

Weston Ave. Sewers

Mercure was advised that no priority list had been established yet but that the city was hopeful the sealcoating would be done this year.

Noe read a letter from McNamee, Porter and Seeley, an engineering firm of Ann Arbor relative to installation of new sewers on Weston Ave.

The engineering firm said that \$175,000 would be a realistic estimate of the total project.

Noe said that he was afraid the State of Michigan would step in soon and cite the city for pollution offense. The city would be faced with condemning the property and purchasing the homes or forced to remedy the sewer situation.

Contractor Leases

Council discussed purchasing the 12 homes on Weston Ave. and the feasibility of moving the homes to other locations.

MANISTIQUE

Women Plan For U.P. Golf Event

The Indian Lake Golf and Country Club at Indian Lake, near Manistique, will be hostess club for the U.P. Women's Invitational Golf Tournament, Wednesday, June 26.

Mrs. Earl H. LeBrasseur, general chairman, has announced the following committees: Golf, Helen Voisine and Marjane Malloy; Sylvia Philion; publicity, Katharine LeBrasseur, Olive Smits; prizes, Dorothy Gorsche, Elsie Kasun; hospitality - morning coffee, Alice Modders; luncheon arrangements, Bea Cockram, Babe Carpenter; social chairman, Olive Smits, Millie Johnson; bridge chairman, afternoon group; dinner arrangements, Frances Cockram; decorations, (Indian theme) Helen Matthews; men's liaison/grounds, Babe Carpenter and registrar-treasurer, Violet Arnold.

Officers for the current year are Mrs. E. V. Jackson, president; Mrs. Lyle Wilson, vice-president; Mrs. Stanley Arnold, treasurer; Mrs. Ossie Smits, secretary.

Brownies Stage Mother's Day Tea

Brownie Troop 7 of St. Francis entertained their mothers at a belated Mother's Day Tea Monday afternoon in the parish center library.

Each mother was presented with a corsage of pink carnations which the girls made. A fly-up ceremony was held with mothers pinning their daughters.

Ice cream, cake, and lemonade was served with Mrs. Alvin Nelson and Mrs. Ben Mulhaupt, leaders, assisting the girls.

The Brownies made corsages for each woman patient in the Medical Care Facility as a special treat for Mother's Day.

Personals

Mrs. E. T. Lundstrom, 230 Arbutus Ave., left Tuesday to visit with her daughter and family, Mr. and Mrs. R. M. Davis in Garland, Tex.

Mr. and Mrs. Robert Holton, Lake St., spent the weekend in Shawano visiting friends.

The opening dinner and golf program for the Women's Golf and Bridge Club has been scheduled for Wednesday, May 15.

There are 22 Upper Peninsula women's golf clubs and an estimated 140 persons are expected to participate here on June 26.

No Penalty For Paint, Fix-Up

City Manager Robert Noe said Monday night that anyone engaged in cleaning up, fixing up, or painting their homes would not be liable for an additional assessment on the tax rolls.

Noe said that some people have the misconception that the minute they paint their home, the city assessor automatically raises the assessment.

Noe warned those property owners who permit junk piles, old cars, lumber piles, etc. to accumulate on their property that they will be cited by the city.

The city is engaged in an active campaign to clean up the litter and junk accumulations some property owners permit, he said.

Urges Force In Civil Disorders

CHATTANOOGA, Tenn. (AP) —Major civil disorders in the nation's cities today are "revolutions" instead of riots and should be met with hard-line police force, the national president of the Fraternal Order of Police said here.

"Martial law should be declared. Looters under martial law would be shot on the spot," said John J. Harrington of Philadelphia, a member of the Pennsylvania Highway Patrol. Harrington said he is "fully convinced" that the agitators are inspired by communist sources. "People are afraid to face up to it, and don't want to believe it," he said in an interview. "They may wake up too late."

The word "riot" once meant a confrontation between several hundred persons on one side "throwing words and bricks" and police on the other side, Harrington said. "When the police took a stand, the situation would be under control."

Now there are thousands on one side outnumbering the police to the extent that federal troops and the National Guard must be called in, the official asserted.

"Today's rioters commit all the atrocities that were ever committed in the war in Europe and this situation should be handled for what it is—a revolution," Harrington said. "People have found they cannot destroy this country from the outside, but they are trying it from the inside. I think they are doing a pretty good job."

Burton Yacht Forced From Thames Mooring

LONDON (AP) — Elizabeth Taylor's \$2,400-a-week floating kennel was kicked out of its mooring beside the Thames River today.

The Port of London Authority ordered the \$500,000 yacht Beatriz away from the Tower of London pier where the actress and husband Richard Burton have been keeping their four dogs.

The authority wanted the space for itself and was also fed up with jokes about "going into the kennel business."

The Burtons rented the white yacht so their two Pekingese and two Yorkshire terriers wouldn't have to go into quarantine for six months, required of all animals landing in Britain.

The Burtons stayed at the Dorchester Hotel and visited their pets frequently.

The Beatriz, which is rented, was moved to an anchorage in the river, and the Burtons will now have to take a small boat out to their dogs.

Their own yacht, the Kalizma, has been fitting out in Marseille and is on her way to London. The dogs will be moved to her when she arrives.

To Nursing Board

LANSING (AP)—Gov. George Romney has announced the appointment of Luis E. Folgueras of Saginaw to the State Board of Nursing. Folgueras, director of the Delta College division of nursing, succeeds Mrs. Edith Morgan of Brighton whose term expired. The appointment is subject to Senate confirmation.

sent council on the County Veterans Council.

Communications were received from Ralph Deloria, VFW commander, protesting the proposed location of the city storage plant. Deloria felt that the building would reflect unfavorably on the VFW clubrooms and the new \$15,000 addition to the clubrooms.

May 27 was selected as the date for public hearings on the new budget covering the period July 1, 1968 to June 30, 1969.

A motion was made to contact the Conservation Dept. requesting that the former Michigan Dimension Co. property be placed back in the tax rolls for public sale rather than diverting it to the Michigan Waterways Commission for use as recreational development.

Quarry Safety

Mayor Leo DeMars suggested that a survey of the city dumping property be made so that the city will not infringe on private property in their dumping operations.

Council agreed that the city manager should investigate the feasibility of reducing the quarry hazard by taking off a 10 foot ledge jutting over the quarry.

Mayor DeMars made the suggestion with the thought of reducing city liability on the quarry site. He suggested that the stone removed might be crushed and utilized by the city.

Parents Invited To Visit School

Open House will be held tonight beginning at 7:30 at the Central School for both junior and senior high classes.

Teachers have prepared exhibits of their students work which will be on display. Teachers will also be in their classrooms to greet parents and answer any questions they may raise.

The Open House is being sponsored by the Junior-Senior PTA and the Community School.

The Elementary Creative Dramatics students will present a series of skits, pantomimes, and one-act plays throughout the evening in the auditorium.

Parents may stop in the auditorium and view the dramatics program and continue on with their tour of the classrooms.

Central creative dramatics will present their program from 7:30 to 7:45; Fairview from 7:45 to 8:20; Germfask from 7:55 to 8:20; and Doyle from 8:25 to 9.

Mrs. Marvin Mercier, Mrs. Rodney Weber, Mrs. Clare Freeland, and Mrs. Thurmin Skarritt Jr., are creative dramatics leaders.

Refreshments will be served through the cooperation of the home economics dept. of the high school.

Parents are particularly urged to attend the Open House; however, any other interested resident is invited.

Septic Firm Cited In Law Violation

Nevada D. Harvey, Mount Clemens, appeared before Justice Howard Magoon, May 13, for being in violation of the State Health Laws. Harvey operated a septic cleaning business and was cited for dumping waste in an open field. Justice Magoon assessed a fine of \$100 and \$14.30 cost and 10 days in jail; \$25 and 10 days were suspended.

In other cases, Rome Booth, Newberry, was fined \$50 and \$2 cost for failure to reduce axle loading. Donald Chilson, Newberry, was fined \$75 and \$2 also for failure to reduce axle loading. Randall L. Savage, Cooks, was fined \$10 and \$4.30 cost and \$3 Conservation fee for possession of illegal fishing devices. Elbert A. Bigger, Crosswell, was fined \$42.80 for larceny less than \$50. Jerry A. Terrian, Gulliver, was fined \$25 and \$4.30 cost for being a disorderly drunk. Terrian also paid a fine of \$10 and \$2 cost for driving too fast for conditions. Wilbert H. Rankin, Ontario, was fined \$15 and \$2 cost for being a disorderly drunk.

Free Parking

BENTON HARBOR (AP) — At a time when costs are rising and many cities are adding more parking meters to bring in additional revenue, the city of Benton Harbor is going the other way.

City Manager Don Stewart announced free parking at the city's Jean Klock Park along Lake Michigan.

Seven Seeking School Posts

Two men withdrew from candidacy for the Gladstone Board of Education and another one jumped into the race as the time for filing nominating petitions for the June 10 election expired Monday.

Former City Councilman Gene Kee, 1106 Michigan Ave., and Leslie Bauman, 601 N. 7th St., withdrew nomination petitions and Dr. B. H. Skellenger, 1312 Wisconsin Ave., entered the race.

That leaves a total of seven candidates still seeking the two-four-year terms on the board of education that are expiring.

Besides Dr. Skellenger, incumbent board members Clair Hoehn and Grant Hess have filed petitions for reelection. They are joined by Clifford D'Arcy, Edward Murphy, Mrs. Paul Jarvis and Gordon Marshall.

GLADSTONE Industrial Park Near Completion; Walks Damaged

The City Commission was informed Monday that the Gladstone Industrial Park is nearly 90 per cent completed and that part of Irving Swanson's sidewalk is 100 per cent damaged.

The Commission approved payment of \$27,210 to the L. W. Brumm Construction Co., Marquette, for work done in the industrial park, then asked the construction company to replace damaged squares on Swanson's sidewalk at no cost to the city.

Swanson, 518 N. 9th St., appeared at the meeting to ask the commission who is responsible for damage to his sidewalk.

Swanson said the damage was done by heavy equipment being used by the Brumm Construction Co. in work at the industrial park and also in laying water lines on N. 9th St.

City Manager H. J. Henriksen read a communication from a construction inspector stating that the sidewalks were in poor condition and that the company did not feel it should be responsible for damage. Swanson said at least five squares were in good condition.

About 90 per cent of the \$137,635 Industrial Park project

has been completed, the commission was informed. Final inspection by the U.S. Economic Development Administration probably will be made May 21.

In another area of the city, heavy equipment is being transported to the construction site on the Low Cost Public Housing project.

Gordon Marshall, 422 Montana Ave. and he wondered why they were not using the truck route from the highway. Henriksen said he was not aware of the situation but would see that the traffic was rerouted.

Budweiser Five Take Keg Title

Budweiser Beer won the team event title of the 20th Annual Gladstone City Association Bowling Tournament. The Budweiser team finished a 3100 total to easily outdistance the second place Midway Lanes team.

Receiving a prize for the high single game in the tourney went to George Tucker with a 264 game.

JOHNSON BROS. TEXACO SERVICE — GLADSTONE

C&H Promotes Ed Sanderson

E. G. Sanderson

CALUMET—Appointment of Edward G. Sanderson as director of metal processing at the Calumet Division of Calumet — Hecla Inc. is announced by C. H. Suter, general manager of the Division.

Sanderson formerly was administrative assistant to the Calumet Division's vice president and general manager. He will continue to work out of the Division's administrative offices in Calumet.

Sanderson came to the Calumet Division from Bell & Gossett, which he served as manager of its Marble Division in Gladstone. He was also with the Ladish Co. in Milwaukee as a consultant. He joined the Calumet Division in 1964 as a special projects engineer and was later named a mining project manager.

He and his wife, the former Betty Gribble of Calumet, reside on Mine St. They have four children.

Church Events

Missionary Society
The Women's Missionary Society of Grace Baptist Church will meet at the church at 7:30 p.m. The Rev. Gaylord Wright, pastor, will be the speaker and Mrs. Wright the hostess. A musical program will be presented by Mrs. Clarence Johnson, Mrs. Jerald Mills, Mrs. Lowell Norgren and Miss Bernice Lindquist. The public is invited to attend.

Social

4-H Club
The Gladstone Community 4-H Club will hold a regular meeting at the city hall Thursday at 7 p.m. Certificates of Achievement and pins will be awarded.

Rock

Attend Ceremony
Mr. and Mrs. Sulo Ruotsala attended the Chancellor's Review and Awards ceremony presented by the University of Wisconsin Reserve Officers Training Corps at Madison, Wis., Friday.

Their son, Michael, a junior and an AFOTC cadet captain, was the recipient of the American Legion Award for military excellence which is emblematic of his high class standing, qualities of military leadership potential, discipline, character, and citizenship. They also attended the AFOTC, "Dining Out."

The banquet and dance given by the Rock Junior class in honor of the Seniors, was well attended Saturday night at the Rock School.

Mrs. Anna Karvonen, Minneapolis, Minn., is visiting her brother and sister-in-law, Mr. and Mrs. Frank Brander.

Special Service

The Mother's Day service and smorgasbord was well attended Sunday at the Rock Bible Chapel. Each mother was presented a rose in honor of the occasion.

Board Candidates
Three persons have filed nominating petitions for two positions on the Rock Board of Education. They are Helen Johnson, incumbent; Irene Kaukola and Mrs. Donald (Ray) Berg. Herb Westlund, whose term is expiring, is not seeking office. Election is June 10 and polls will be open from 10 a.m. until 6 p.m. at the school.

Doom Landmark

COLUMBUS, Ohio (AP) — University Hall, a landmark at Ohio State University, will be torn down to be replaced by a \$5-million structure. University trustees authorized razing of the building despite objections of many alumni.

It was completed in about 1875, and is now termed unsafe.

Women's Activities

Nancy J. Salo Bride Of Daniel R. Stratton

MISS PATRICIA Messier, daughter of Mr. and Mrs. Arthur R. Messier, 808 S. 19th St., recently received her cap from the St. Anthony School of Nursing, Rockford, Ill. The ceremony was held at the Cathedral Church of Rockford. (Lee's Studio)

The First Lutheran Church in Gladstone was the setting Saturday, May 4 for the double ring ceremony uniting in marriage, Miss Nancy Jane Salo of Gladstone and Daniel Roger Stratton of Escanaba.

The Rev. Reuben Carlson officiated at the nuptials at 2 p.m. The bride is the daughter of Mr. and Mrs. Walfred Salo of 1212 Delta Ave., Gladstone and parents of the bridegroom are Mr. and Mrs. Richard Stratton of 301 S. 11th St., Escanaba.

Bouquets of spring flowers adorned the altar for the ceremony and soloist was Miss Cynthia Holochwest. Organist was Mrs. Michael Cretens.

Miss Karen Peltonen of Gladstone was the maid of honor and Richard Hornblad of Escanaba served as bestman. Other attendants included Miss Betty Schmeltzer of Marquette and Miss Janice Stratton, bridesmaids; William Winchester of Escanaba and Richard Salo of Gladstone, groomsmen.

Flower Girl
Brenda Carlson, a cousin of the bride, was the flower girl and Jeff Stratton of River Forest, Ill., the bridegroom's nephew, carried the rings.

Seating the wedding guests

were William Stratton, brother of the bridegroom and Kenneth Kemp of Ishpeming.

The bride, given in marriage by her father, wore a floor length gown of white taffeta accented with Alencon lace appliques.

Her lace edged wateau train was attached at the waist and crown headpiece adorned with crystals and pearls held her elbow length veil of illusion. She carried a cascade bouquet of white daisies.

Yellow linen floor length gowns fashioned with Empire waistlines and A-line skirts were worn by the bridal aides. Octagonal bows of yellow ribbon held their short yellow illusion veils and they carried semi-cascade bouquets of yellow daisies.

Reception

Assisting at the reception which was held at the Midway for over 300 guests were the Misses Sally and Maria Carlson, Janice Erickson and Carol Young of Gladstone, Miss Darja Hardwick of Rockford, Ill., Mrs. Michael Lauzon, Mrs. Kenneth Mahoney and Miss Lori Valencic of Escanaba.

The bridegroom's parents hosted the rehearsal dinner Friday evening at the Terrace. After returning from a honeymoon trip to Chicago the newlyweds will reside at Portage Point Rd., Escanaba.

Special guests at the wedding included grandparents of the couple, Mrs. Anna Carlson of Rock and Charles Erickson of Escanaba.

The bride is a 1966 graduate of Gladstone High School, attended Bay de Noc College and Northern Michigan University and is presently employed at Harnischfeger Corp.

Mr. Stratton, a 1964 graduate of Escanaba High School, attended Bay de Noc College and is now employed by the Michigan State Highway Dept.

Mrs. Daniel R. Stratton (Delta Studio)

WSCS Mother, Daughter Party Held On Monday

The 10th annual Mother-Daughter banquet sponsored by the WSCS of the Central Methodist Church was held Monday at 6:30 p.m. at the church.

A near capacity group of mothers and daughters, ranging in age from 97 to 2½ years were present for the dinner which was served by the men of the church.

The program was as follows: Mrs. Jack Gunderson, invocation; Mrs. Claude Bohn, welcome; Mrs. Francis Bolm and Mrs. Chester Carlson, group singing; Miss Terri Remington, tribute to mothers; Mrs. Norman Remington, tribute to daughters; Miss Diane Coplan, soprano solo accompanied by Mrs. Beverly Moraco. Miss Coplan also led the audience in singing of, "Do Re Me," from the Sound of Music; Miss Patti Peck, folk songs including her original composition, "I'm Just a Wanderer;" girl's ensemble from Holy Name High School presented several selections, Mrs. Donald LeMire, director, Miss Patti Peck, accompanist.

At the conclusion of the program carnations were presented to the following: Mrs. Lena Peterson and Mrs. Levi Turnquist, oldest mothers present; Miss Larah VanHorn and Miss Carol Lee Boudreau, youngest daughters present; Mrs. John Anderson, youngest mother present; Mrs. Wayne Cooper and Mrs. Lloyd Johnson, mothers with most daughters present; Mrs. James Allardice, grandmother with most granddaughters present.

Mrs. Melvina Catnair, Mrs. Mildred Sprague, Mrs. Robert Katarincic and daughter Laurie were presented carnations for four generations of daughters.

Birthday Party

Mrs. Irene VanDanaker of Flat Rock was pleasantly surprised with a birthday party Monday with a potluck dinner at her home followed by cards. She was presented a floral corsage.

Attending were Mrs. Cecile Tounsiant, Mrs. Lou Hemes, Mrs. Lorraine Ethier, Mrs. Margaret Hart, Mrs. Eva Baker and Jo Barron.

Cottons can be treated mechanically and chemically to avoid shrinkage of more than 1 per cent in either direction.

MR. AND MRS. HERMAN A. HELMAN of 1515 Dakota Ave., Gladstone announce the engagement of their daughter, Alice Carol, to Terry A. Van Brocklin, son of Mr. and Mrs. John F. Van Brocklin of N. 17th St., Gladstone. The bride-elect is a 1965 graduate of Gladstone High School and she is employed by the Pauly Cheese Co. of Green Bay, Wis. Her fiancé is a 1964 graduate of Gladstone High School and he is employed by Harold's Trucking in Milwaukee. The wedding will take place on Aug. 24.

Holy Name H.S. Parents' Club Meets Thursday

Holy Name High School Parents' Club will end the year's activities with the annual Student Talent Show at 8 o'clock Thursday evening in the multipurpose room of the school.

Sister Henriette, director of the program, promises a wide variety of entertainment including vocal and instrumental acts, dances, and comedy sketches.

A brief business meeting will feature election of officers from a slate including Harry Johnson, Roger Kirch, Mrs. Kenneth Arbour, Arnold Taylor, the Mesdames, Ellsworth Nault, Leo Kleinman, Dennis McGinn and Richard Rinehart. Parents of incoming freshmen are especially invited to this informal gathering.

Mrs. Bernard La Plaut is chairman of a committee composed of the Mesdames, Phillip LaMarch, Art Messier Sr., Harold Hansen, Ralph Frasher and Stephen Fraddo from St. Thomas parish, who will serve refreshments.

Special 4-H Meeting Tonight

The Escanaba Clover 4-H Club will hold a special meeting at the Delta County Building tonight at 7 for the purpose of organization and sign-up for the summer projects. All interested parties are asked to attend. Projects that will be offered are: Square Dancing, Gun Safety, Outdoor Cooking, Camping and Photography.

Anyone nine years of age and older residing in the city of Escanaba is eligible to join.

Great Lakes Pike Opener May 21

Northern Pike Are Legal In Streams

Today marks the opener for taking of northern pike from non-trout streams and inland lakes. Fishermen are reminded that they (as well as walleye) may not be taken from Great Lakes waters (which includes the Bays de Noc) until May 21.

Local Conservation officers report fishing activity and success as follows:

Fishermen's luck has been fair for trout on the Escanaba River, Tacosh, Days, Haymeadow and 18-Mile.

In the Marquette-Big Bay area the mouths of the Carp, Dead, Little Garlic and Choccolay are the heaviest fished for rainbow and coho, with good success. Some coasters are being taken in Salmon Trout Bay

where boats may be launched at the Big Bay harbor. Brook trout fishing is generally good throughout the area. Lake trout fishing is getting started out of Marquette and charter boats are available by contacting the Marquette Chamber of Commerce. Lake Independence is also producing some walleyes.

In the Gwinn area excellent fishing for trout is reported in the Escanaba River and Johnson Lake and for walleyes in Little Lake.

In the Chatham area Menominee fishing continues good off the mouth of Rock River on worms and single salmon eggs.

Some success for walleyes is reported in Au Train Lake, but activity is light. Au Train Basin is good for perch.

Lake trout, coho and rainbow success has been only fair. A good rain is needed to trigger additional rainbow runs. Warmer weather and water should improve success for lake trout and coho.

In the Munising area light catches of rainbow and coho at the mouth of the Anna River are reported, mostly on spawn bags and blue and white cleo. Light catches of rainbow in the Miner and Mosquito rivers. Some lake trout success in Trout Bay bobbing with smelt as bait.

In the Trenary area brook trout fishing is good on all streams.

Other current outdoors activity includes mushroom picking. Both morels and beefsteaks have begun to make their appearance and only warm weather and a warm rain is needed to make them sprout to picking size over night.

Trailing arbutus continue to bloom. Pickers are reminded, that the picking of this plant on state lands is prohibited. Although some of our protected species of plants are still plentiful in area that are remote from human habitation and relatively inaccessible, others have become scarce. "Further increase in their abundance can only be achieved by preservation of favorable habitat and strict law observance," says Robert Timmer conservation law supervisor.

All users and potential users of forest lands are asked to be extremely careful with fire. It is at this time of the year that sprouting vegetation generally results in a state of extremely low humidity during which woods fires will burn intensely.

Marquette Seeks 1st Stamp Sale

MARQUETTE — The Marquette Chamber of Commerce will bid for consideration to list the City of Marquette for the site for the first day sale of the Father Jacques Marquette 300th anniversary commemorative stamp. This special effort will be made in spite of the announcement of the first issue scheduled for Sept. 12, 1968 at Sault Ste. Marie, Mich. by the U.S. postal authorities.

Marquette County Historian Ernest H. Rankin, seeking recognition for the commemorative stamp, stated that Marquette County is the largest county east of the Mississippi River and that the City of Marquette has honored the missionary explorer by bearing his name for 118 years.

Citizens of Marquette erected a statue in the city on July 15, 1897 which perpetuates Marquette's name. This was a joint effort of religious faiths who raised the necessary funds.

Rankin stated "that at no time has Father Marquette ever been exploited here in Marquette for financial gain. He has always been respected and honored for his worthiness and outstanding qualifications as a missionary explorer and servant of God."

The Marquette Chamber officials believe that the City of

Lions Program At St. Ignace Has Lively Format

The District 10 convention of Lions International to be held Memorial Day weekend in St. Ignace will be highlighted by an address by A. James Lundberg of Provo, Utah, director of Lions International, at the Governor's banquet on June 1. Lundberg is a graduate of Brigham Young University, an insurance man and expert in Chamber of Commerce management.

Ralph Sheehan, former state police officer and Lions governor, will be toastmaster.

Lions District Governor Philip Cohodes of Iron Mountain will spark the International luncheon on June 2.

Dr. Kenneth J. Shouldice, chancellor of Lake Superior State College, Sault Ste. Marie, will present a narrated colored slide review on Russia at the Presidents' and Secretaries' luncheon on Saturday. Rep. Robert Davis (R-St. Ignace) will be master of ceremonies.

Eye opener at the 7:30 breakfast on Saturday will be St. Ignace's Leonard Tomblay, monologist.

Isabella Circle Smorgasbord Is Well Attended

A well attended smorgasbord dinner was held Monday at the Teamster's Hall for mothers and daughters of the Daughters of Isabella, Trinity Circle 362. Over 160 members and guests were in attendance.

Cards were played with a prize for each table and several guest awards were also given. Special awards were presented to Mrs. Mayme Moreau oldest mother and Mrs. Loren Blowers, youngest mother.

Mrs. Ben Shandonay served as chairman for the event and she was assisted by the following Mesdames, Howard Rusha, Robert Peterson, Sigwald Hill, Ray Madden, Herbert McMonagle, Matt Kress, Charles Peltier, Carl Davis and Sally Desmond.

The next gathering will be a business meeting May 27 with Mrs. Ben Peltin, chairman.

Garden Peninsula Credit Union

The organizational meeting of the Big Bay de Noc Federal Credit Union, will take place at the Garden Community Building on Friday, May 17 at 7:30 p.m.

Federal Auditor, Robert Storbeck of Escanaba, Dick Meissner of the Delta Catholic Credit Union, League Representative, Pete Williams of Gladstone, Nick Frankovich of the Manistique Federal Credit Union and other Manistique Credit Union members will be present.

Immediately after the organization the Big Bay de Noc Federal Credit Union will be open for business, accepting members and taking loan applications. The office will be located in the back of the newly opened Yardgoods and Sewing needs shop of Mrs. Leo Neeves.

Kingsford Calls Another Election

KINGSFORD — Yielding to the appeal of a large group of parents, teachers and taxpayers the Breitung Township Board of Education has voted to re-submit a millage proposal to the voters in the annual school election on June 10.

In March, a proposal asking 10 mills for a two-year period to meet a financial crisis was rejected by a 548-vote margin. The June 10 proposal will ask for a reduced five mills for a two-year period.

After the defeat of the millage in the March election, the school board announced cutbacks in the school program for the 1968-69 term including curtailments in the curriculum and elimination of extracurricular activities and Kingsford

VFW Installs Officers For Ensuing Year

Veterans of Foreign Wars, Hiawatha Post No. 2998, installed officers for the year at the annual meeting on Monday.

Hilding Skoglund is commander, Joseph Simons, senior vice commander, Marvin Ducheny, junior vice commander, John Anzalone quartermaster, Paul Bucholtz adjutant, Ray Robitaille, post advocate, and William Garbett chaplain.

Stephen Golaback is surgeon, C. C. Newell public relations officer, Milton Lueneberg, patriotic instructor, William St. Jacques historian, Ernest Briere employment officer, George Harvey service officer, Ray Robitaille community service officer, George Cholger National Home representative, Marvin Ducheny youth activities, C. C. Newell legislative officer, George Cholger officer of the day, and Commander Skoglund Buddy Poppy chairman.

The trustees are Kenneth Anderson, Lewellyn Larson and Mark DeGrand.

Robert Lake is quartermaster sergeant and the color guard John Sorault, with color bearers John L. Anderson, Fred Lueneberg and Sorault.

Rockefeller Visits Michigan May 22

ALBANY, N. Y. (AP)—New York Gov. Nelson A. Rockefeller is expected to make a major statement of his economic proposals for the nation in a speech to the Detroit Economic Club in the Motor City May 22, Rockefeller's office said Tuesday.

Rockefeller, campaigning for the Republican nomination for president, also is expected to meet with Michigan delegates to the GOP national convention and other political leaders during the trip.

Plans for the Michigan visit were announced Tuesday by the governor's press secretary, Leslie Slote.

Powers-Spalding Birthday Party

Miss Kelly Shannon celebrated her ninth birthday recently with a trip to the Milwaukee County Zoo. She spent the weekend with her parents, Mr. and Mrs. Don Shannon, and sister, Kim, at the home of Mr. and Mrs. Eugene Stockero in Port Washington, Wis. A party also held in her honor at the Stockero home.

Summer Yacht Schedule Set

The Escanaba Yacht Club's Regatta and Power Boat Open House July 13-14 has been included in the Green Bay Yachting Association's schedule of summer events.

Planning for the Escanaba program is already underway to develop an event of interest to both spectators and participants. All sizes and classes of boats are expected.

The Yacht Club's opening dinner is scheduled for Sunday, May 26. Members and their guests are invited for a steak dinner. An El Toro race around Sand Island for adults also is planned.

Escanaba's annual Venetian Night program is scheduled for Wednesday, July 10.

The Green Bay Yachting Association schedule:

June 8—Sturgeon Bay YC Race to Menominee (BYR)
June 9—Marquette - Menominee YC Green Island Race
June 15-16—Sturgeon Bay YC Power Boat Open House
June 22—Sturgeon Bay YC William Wolter Memorial Race (BYR)
June 29-30—M&M Annual Regatta

July 4-5—Ephraim YC Flying Scot Invitational
July 13-14—Escanaba YC Annual Regatta

July 13—Escanaba YC Power Boat Open House
July 26—Ephraim YC Peninsula Arts Trophy Trans-Bay Race

July 27—M&M Hundred Mile Race (BYR)
July 28—M&M Blessing of Fleet, Bishop Noa Race
Aug. 3—Ephraim YC Whaleback Shoal Race (BYR)
Aug. 3-4—Ephraim Annual Regatta

Aug. 4—Ephraim YC Regatta Cup Race
Aug. 10-11—Sturgeon Bay YC Annual Regatta

Aug. 11—Sturgeon Bay YC Green Island Race
Aug. 16—Sturgeon Bay YC Manitowish Minneapolis Shoal Race, 200 miles
Aug. 24—M&M Fish Creek Race

Sept. 1—Sturgeon Bay YC Labor Day Race
Sept. 14—M&M 30-mile Frobsite Race (BYR)

(BYR denotes races counting for Green Bay Yachting Association Boat-of-the-Year Trophies: Cruising, Green Bay Press-Gazette Trophy; Universal, Bob Wolter Trophy. All races are for cruising and universal classes unless otherwise noted.)

Week Records 32 U.P. Forest Fires

Thirty-two forest fires were reported in the Upper Peninsula in the week ending May 11, burning 147 acres. Eleven fires were reported from the Escanaba District (Delta, Marquette and west Alger) burning 104.4 acres. To date it has had 64 fires burning 1,102 acres. Six fires were reported from the Newberry District (Luce, Mackinac, Schoolcraft, Chippewa and east Alger) burning 17 acres. To date 42 fires have burned 494 acres.

A total of 258 fires have burned 2,223 acres in the U.P. to date. Last year at this time 112 fires had burned 376 acres.

THE ARMY commendation medal has been awarded to First Lt. Thomas Sarasin for his heroic service with the Infantry in Vietnam on Jan. 30, 1968. While leading a counterattack against an enemy mortar team, he exposed himself to enemy fire so their position was revealed, resulting in a return fire that repulsed the enemy attack. He was commended for "personal bravery and devotion to duty." He is the son of Mr. and Mrs. Carl Sarasin of Baraboo, Wis.

Legion Plans 'Poppy' Sale

PERKINS — The Perkins American Legion Auxiliary will sell "Poppies" Thursday, Friday and Saturday, May 23-24-25, it was announced today. "Poppies" will be sold at all business places in Perkins, Brampton and St. Nicholas.

Bake Sale
A bake sale, sponsored by the RLDS Church of Gladstone will be held Friday beginning at 3 p.m. at Bob Mathieson's TV store.

NOTICE !!!
THERE WILL BE NO CAB SERVICE IN GLADSTONE THURSDAY, MAY 16TH.

Draft To Call 15,000 In July

WASHINGTON (AP) — The Defense Department today issued a draft call for 15,000 army inductees in July, the lowest monthly call since April 1967.

It also forecast lower than normal draft calls for the July-December period.

At the same time, the Pentagon reduced its June draft call by 9,500 men—from 29,500 to 20,000. It did so because the Army had overestimated the number of men who would be discharged in June.

Draft calls reached their 1968 peak in April, when 49,000 men were ordered to report for induction under Selective Service.

The July call—lowest since the 11,400 of April a year ago—dipped way down because it reflects the tail end of an Army replacement cycle dating back to the buildup for the Vietnam war over two years ago.

Troop 408 Holds Court Of Honor, Stoll Advanced

Advancement awards were presented to 12 scouts in a Court of Honor of Boy Scout Troop 408 Monday night.

The awards included the Life Scout badge to John Stall, the second highest rank in the Boy Scout program.

Other awards were presented to Mike Henderson, Steve McEniry, Mike Cvenegros, Jim Guindon, Steve McEniry, Tom Mitchell, Mike VanEffen, Bill Beck, Dick Miller, David Stacey and Tom Sankovitch. Recognition also was given to scouts who have earned merit badges recently. Troop members have earned 31 merit badges since February.

Don Mattson, Mike VanEffen and Dick Miller were presented Den Chief awards.

Committee Chairman Elmer Bessonon introduced Richard Oslund, district scout executive; Don Mattson, institutional representative; committeemen Bob Mitchell, Lloyd Strahl, John Sankovitch, Leslie Rose, Lawrence Gaffin and Scoutmaster Glenn Tollefson, who presented the awards.

Refreshments were served by Mrs. Don Mattson, Mrs. Ernest Guenette and Mrs. Albin Pearson.

The troop is sponsored by Bethany Lutheran Church.

Hospital

Mr. and Mrs. George Harvey of Escanaba are both reported in good condition at St. Francis Hospital where they are recovering from injuries suffered in a traffic accident recently. Harvey is Escanaba city manager.

Esky Trackmen Win Dual Meet

Steve Jurmu set a new Escanaba High School record of 10 minutes 42.2 seconds in the two-mile run at a dual meet held yesterday afternoon on Marquette High School's new Grass-Tex (hard surfaced) track.

Jurmu broke the old Escanaba High School two-mile record of 10 minutes 48.8 seconds set last year by Bob Swenson.

Tom Anzalone and Allen Berg posted double victories for the Eskymos in the meet. Anzalone ran to victory in the 100 and 220 yard dashes; while Berg triumphed in the long jump and the 120-yard high hurdles.

The Eskymos swept two events as Anzalone, Tom Carlson and John Breitenbach took all three places in the 100 yard dash and John Vardigan, Kim Papineau and Jim Derouin hoarded the top spots in the pole vault event.

Vardigan's winning jump of 12 feet kept his victory string in the pole vault intact for Eskymo meets this year.

Other first place finishers for Escanaba were Steve Miketnac in the high jump, Roger McMillan in the mile run, Marty Anderson in the 880-yard run, Douglas Howard in the 440-yard dash and Tom

Derby Climax Appears Near As Hearing Ends

LOUISVILLE, Ky. (AP) — The climax of the 1968 Kentucky Derby, 11 days late, appeared near at hand today as a stewards hearing into the disqualification of Dancer's Image as the winner neared its close.

The three Churchill Downs stewards, racing's judge and jury, pondered more than 29 hours of testimony from a parade of eight witnesses, with Lou Cavalieri, trainer of Dancer's Image, due back today for a flying trip to work his horse in Baltimore.

Only one day remained before entries were due to Saturday's Preakness and the stewards made it known they wanted to finish the hearing so the colt's name could be dropped into the

Lee Officially Takes Pro Job

SAN FRANCISCO (AP) — George Lee officially took Tuesday as San Francisco Warriors' coach—a job Bill Sharman and Alex Hannum spurred for lucrative contracts in the rival American Basketball Association.

Lee and his assistant, guard Al Attles, each 31, became the only coaches in the National Basketball Association without contracts, said majority owner Franklin Mieli.

"We have agreements for them to coach next year at higher salaries," said Mieli, but we have no written or informal contract which binds them in any way."

Hunter Jolted By Twins; Athletics Win Slugfest

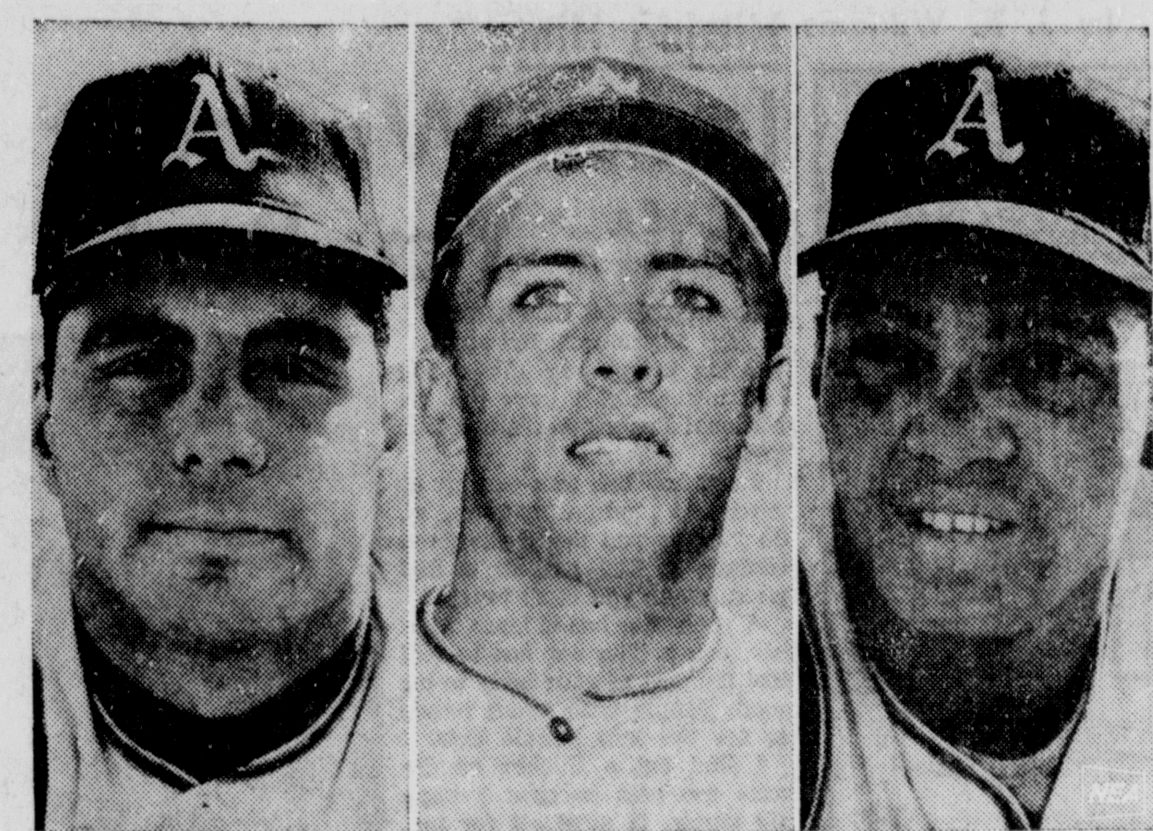

By The Associated Press
Oakland pitcher Catfish Hunter and Cleveland Manager Alvin Dark were far from perfect Tuesday night. But, though neither was around at the finish, their respective ballgames had the perfect endings.

In his first appearance since his perfect game against Minnesota last week, Hunter was jolted for five runs in the first inning but staggered to victory as the A's outslugged the Twins 13-8.

Dark was thrown out by umpire Bill Valentine for protesting two called balls as the sizzling Indians beat the New York Yankees 4-2 for their fifth straight victory and 11th in the last 12 games.

Cleveland took over undisputed possession of second place in the American League as Baltimore bowed to league-leading Detroit 4-0. It was the Orioles' seventh straight setback following an eight-game winning streak.

In other action, Boston edged Washington 5-4 in 10 innings and Chicago nipped California 7-6 on Duane Josephson's seventh-inning homer.

ARIZONA ALUMNI — Sal Bando (left), Rick Monday (center) and Reggie Jackson played baseball for Arizona State University, and have since graduated to the Oakland A's. Bando and Monday were teammates on ASU's 1965 NCAA championship team. Jackson was a member of the freshman squad that season.

Ryan, Reed Throw Smoke By National League Bats

By The Associated Press
Nolan Ryan and Ron Reed are having the time of their young lives throwing smoke past National League batters.

Old pro Don Drysdale is throwing shutouts for survival. Ryan, the New York Mets' rookie sensation, and Reed, Atlanta's first-year flash, each zipped to his fourth victory of the season Tuesday night.

Drysdale, meanwhile, fired a two-hitter for his first triumph in a month as the Los Angeles Dodgers squeezed by the Chicago Cubs 1-0. The 13-year Dodger veteran had lost three straight well-pitched games after beating New York in his first start ... by a 1-0 count.

Strikes Out 14

Ryan shackled Cincinnati on four hits and struck out 14 for a club record in hurling the Mets to a 3-2 decision over the Reds.

Reed scattered five hits in subduing Philadelphia 3-1 for his fourth victory without a loss.

Frank Johnson's first major league home run carried the San Francisco Giants past Houston 2-1 in the only other NL game. The Pittsburgh-St. Louis contest was rained out.

Drysdale, coming off successive 13-16 seasons of the feeble-hitting Dodgers, blanked the Mets on four hits April 13, then was beaten by Atlanta 2-1, by San Francisco 3-0 and by Philadelphia 3-2.

Drysdale Tough

Tuesday night, he limited the Cubs to a fourth inning single by Don Kessinger and a fifth inning single by opposing pitcher Ferguson Jenkins. The 31-year-old right-hander finished with seven strikeouts, including a pair that got him out of serious jams.

Drysdale fanned Ernie Banks

in the fourth, stranding Chicago runners on second and third. He left Cubs on first and third in the fifth by striking out Kessinger.

The Dodgers pushed over the game's only run in the sixth when Wes Parker singled, took third on Willie Davis' single and scored as Ron Fairly bounced into a force out.

Breaks Record

Ryan, 21, struck out five of the last six Cincinnati batters to break the Mets' single game strikeout mark of 13 set by Dick Selma three years ago in a 10-inning game against Milwaukee.

Tom Seaver fanned 12 in nine innings during his sensational 1967 rookie season.

Reed, the 25-year-old former pro basketball prospect with the Detroit Pistons, struck out five and walked none in going the distance for the second time in four winning starts. Hank Aaron's two-run homer in the fifth provided the margin for the 6-foot-6 right-hander as the Braves rolled to the fifth victory in their last six games.

Johnson's bases-empty homer off Dave Giusti in the fifth inning gave the Giants and southpaw Mike McCormick a 2-0 lead and they held off the Astros behind Frank Linzy's tight relief pitching.

Linzy choked off an eight-inning Houston rally after Rusty Staub closed the gap with a run-scoring single, then retired the Astros in order in the ninth, protecting McCormick's third victory in six decisions.

Waubung League

Any baseball team still wishing entrance in the Waubung League should contact Mike Utt at the Escanaba Daily Press by Monday, May 20. Also any adult who would like to umpire league games should write or call the Daily Press.

The Powers Legion team will practice Sunday at 2 p.m. Any boy who is under age 19 or will turn 19 after August 1 is welcome to tryout.

The Schaffer Legion team will meet Thursday night at 7 at Potvin's. All boys of league baseball age are urged to attend.

The Escanaba Cubs will begin practice Monday night at the Al Ness Field beginning at 6.

Miami Named Super Bowl Site By Football Owners

ATLANTA (AP)—Pro football owners, who apparently consider Miami the land of sunshine, sellouts and success, plan to stage their Super Bowl battle in the Florida city again next year.

"These men are businessmen, and they know you can't beat success," Miami Mayor Steve Clark said in explaining why Miami was awarded the 1969 showdown between champions of the American and National football leagues.

The 1968 Super Bowl was a 75,000-seat sellout in the Orange Bowl last January. Apparently that was enough to offset a guarantee of 80,000 fans made by New Orleans backers hoping to stage the next game in the Sugar Bowl.

New Orleans had been considered the early favorite, but in a voice vote Tuesday owners of 25 NFL and AFL teams gave unanimous approval to return the game to Miami. New Orleans abstained.

"The decision left New Orleans Mayor Vic Schiro 'depressed,'" and he told newsmen the owners had not informed him before announcing that the game would be held in Miami.

Miami will charge \$35,000 again next year for rental of the Orange Bowl. Rental apparently did not have an effect on the owners, although New Orleans started out by asking for 12 percent of the gate, or about \$90,000.

Tigers Top Orioles On Horton's Homers

DETROIT (A)—Earl Wilson, backed by the home run hitting of Willie Horton and Ray Oyler, fired a rare shutout Tuesday night, blanking Baltimore 4-0 to keep the Detroit Tigers two games ahead of the pack in the American League pennant race.

The loss was the seventh straight for the slumping Orioles and combined with Cleveland's 4-2 victory over New York, dropped Baltimore to third place. The Indians, victorious in 11 of their last 12 games, took over sole possession of second place.

Horton hit two homers, driving in three runs, and Oyler hit his first of the year with the bases empty to account for all of Detroit's runs.

"That second home run by Willie took the pressure off," said Wilson, who has only nine shutouts in seven major league seasons. "I don't pitch too many shutouts," he added. "I make too many mistakes."

But the ex-Marine, evening his season record at four wins and four losses, pitched near flawless baseball in setting down the Orioles for the 18th time in 23 lifetime decisions.

He gave up a leadoff triple to Dave May in the fifth but retired the Orioles in order to cut off the only serious Baltimore scoring threat.

Wilson, who hasn't lost to Baltimore since July 19, 1966, said his success against the O's "kind of scares me a little bit. You keep thinking it's their time."

The ruggedly built right-hander, who led Detroit pitchers with 22 victories last year, said he's pitching stronger baseball this season.

Wolverines Dump Western Michigan

KALAMAZOO (AP) — Four runs on two triples and two errors in the fourth inning gave the University of Michigan baseball team a commanding lead toward an 8-3 victory over host Western Michigan Tuesday.

The winning pitcher was Dave Rankewicz who relieved starter Steve Evans in the third inning.

Michigan had 13 hits and two errors to Western Michigan's 11 hits and six errors.

Michigan now has won 12, lost 15. Western Michigan has a 13-9 record.

Michigan 000 401 021—8 13 2
West Mich. 002 000 100—3 11 6

Evans, Rankewicz (4) and Titone; Mayer, Scherr (3), Mestek (7), Pasierb (8), Bratherton (9) and Peraino, W—Rankewicz, 4-4, L—Mayer, 3-1.

"My velocity is a little bit better this year, and my control has been real good," said Wilson, who had no ready explanation for his additional speed.

But it's no secret Wilson was one of the hardest working players in spring training this year.

Horton's two homers gave him eight for the year and boosted his RBI total to 20, both close to the league leadership. He hit a solo shot off loser Dave McNally, 3-3, in the second and popped a high fly into the lower left field stands with Al Kaline on base in the sixth. McNally gave up three hits in six innings, all home runs.

"I hit the first one pretty good," said Horton, "but I thought I broke my bat on the second one. It was a slider coming in on the handle."

Oyler, whose lone home run last year beat Baltimore 3-2 Aug. 13, looped a drive into the lower left field seats in the third inning.

Wilson beat Baltimore's Jim

Hardin in that game. Hardin, 4-1, was to face Denny McLain, 5-0, in the final game of the two-game series tonight.

Milwaukee Takes Step Back To Major Leagues

MILWAUKEE, Wis. (AP) — Milwaukee takes a tentative step back into the big leagues tonight after two seasons of all but forgotten city baseball.

The last-place Chicago White Sox, starting as poorly at the box office as they have in the American League pennant race, meet the California Angels in the first of nine regular season games the White Sox plan to play in Milwaukee.

The advance sale has approached 20,000 tickets. That is almost double the largest crowd the White Sox have drawn so far this season in Chicago.

Mild weather could bring out a crowd in excess of 30,000.

The game will be the first in Milwaukee to count in the major league standings since September 1965. The Braves ended a stay of 13 seasons at County Stadium that fall and headed for Atlanta.

Since then the only baseball played at the stadium has been the annual Firemen's vs. Police-men's game and two White Sox exhibitions. The exhibitions, including one this April with the Chicago Cubs, drew a total of 71,000 fans.

Signs of a thaw in the once icy relationship between the city and baseball owners began to multiply, especially after more than 51,000 fans turned out to

watch the White Sox and the Minnesota Twins in an exhibition game last summer.

Now there are recurring rumors that the White Sox would like to shift the franchise 90 miles north. Milwaukee also is considered a strong contender in the competition for one of two expansion franchises in the National League.

During the Braves' glory days in Milwaukee, attendance topped the two million mark for four successive seasons.

Gonzales Opens Tennis Matches

NEW YORK (AP) — Pancho Gonzalez, the 40-year-old Californian who once dominated professional tennis, opposes Spain's Andres Gimeno tonight in the first match of the Madison Square Garden invitation tournament.

All eight men in the field will be in action tonight, with Roy Emerson facing Fred Stolle, favored Rod Laver meeting Alex Olmedo and Ken Rosewall taking on Lew Hadorn.

The four women pros—Rosemary Casals vs. Mrs. Ann Haydon Jones and Mrs. Billie Jean King vs. Francoise Durr—begin play Friday night. The men's semifinals also are set for Friday night with both finals Saturday night.

The men's winner gets \$7,500 and the runnerup \$4,500. The girls are playing for somewhat less—\$2,200 to the winner and \$1,500 to the runnerup.

The participating pros are all members of the National Tennis League, which has joined Madison Square Garden in a five-year promotion and development plan for pro tennis in the United States, Canada and Mexico.

They made tennis history last month by playing in the first open tournament at Bournemouth, England.

SHAVING STROKES

by Frank Beard

11-Professional Help

When I caution against taking advice on your game too freely, I'm not equating golf at the professional level with that on the club level.

"The man on the tour is a different kind of animal. It's his business. We also have a great feeling of camaraderie. We know each other's games through constant play and observation and can spot faults in each other's methods."

Sometimes, for instance, I need a little help with my alignment. This year my putting was giving me a problem. I felt like I was stroking it real good, but not getting results. I've been playing with Charlie Coody for the last five or six years and he's intimate with my game — as I am with his.

"You've played with me, Charlie," I said to him one day, "and you know how good a putter I am. Why am I not playing good?"

He said, "It looks pretty simple to me. You're aiming left and coming through and pushing the ball back on line. If your timing is perfect it'll go in, but it's not something you can count on time after time. The best thing to do is get back around straight and work on the consistent stroke."

If you've watched me re-

cently, I jump around more than usual before I get set over by putt, but that's because I'm aware of the alignment problem now and I've got it back around pretty good.

It's different getting advice from a Charlie Coody than the hacker in your foursome.

(NEXT: Tournament Experience.)

compiled his tips on golf into a newly published book, "Shaving Strokes, 75 Steps to Winning Golf." The book is available at the Escanaba Daily Press Sports Desk for \$1.

Hitting Hints

Learn What Bat Suits You Best

By ROBERTO CLEMENTE
Of Pittsburgh Pirates

Some people say I'm a bad ball hitter. Yet I have led the National League in hitting four times.

I say any ball you can hit or reach is a good ball to swing at. So long as you can make good contact. A bad ball or a bad pitch is one you can't reach.

A youngster has to learn what bat to use. The bat has to feel like it's part of your body to hit good. People with small hands go for the thin handle bats.

I find out a thicker handle suits me best because I have big hands. It pays off for me, of course, your build depends on the weight of the bat.

Since 1960 I've been using a heavy bat, 38 ounces and 36 inches long. I don't have to swing hard with this kind of bat.

Sometimes I feel tired even when I'm hitting good. In that case I try to save my energy by skipping batting practice. I very seldom have batting practice. Once I get in shape there are many days when I don't take batting practice.

When you know your body you know how you feel and what you can do. One of the big things in being a successful hitter is having confidence. Know what you can do then try to do it.

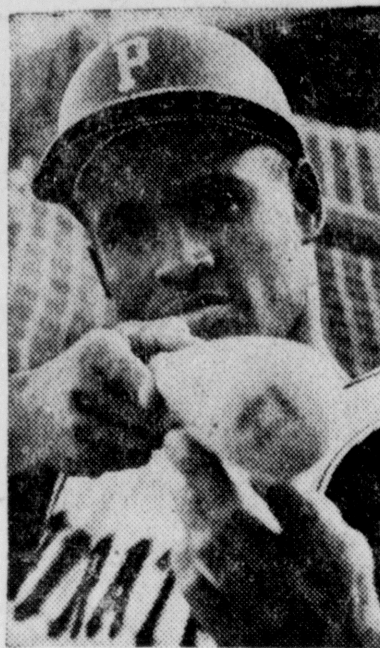

If you are lazy you are in bad shape.

When I go to the plate I have a definite idea of what the pitcher is throwing, how his ball is breaking and what he did last time I faced him. I don't guess. I wait for the ball. You have to be ready for every pitch.

As soon as the pitcher lets the ball go I've got to be ready. I hold the bat high and ready to swing level at the pitch, unless it is down low. When the pitch is down you've got to hit it as if it were a golf ball. You must learn to adjust to the different pitches and swing where the ball is pitched. This way you can hit all fields.

(Clemente, at 33, hit .357 last year to win his fourth National League batting title. He led both leagues with 209 hits and is the only major leaguer to hit above .300 every year since 1960.)

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

Roberto Clemente
Four-Time Batting Champ

Ask Party Parity For Negro Voice

WASHINGTON (AP) — The U.S. Commission on Civil Rights says the Justice Department should apply the 1965 Voting Rights Act to internal party politics as well as elections, to give Negroes a larger voice. The parties themselves should ban national convention delegations from state organizations which practice discrimination, the commission said in a weekend report.

Fewer than one per cent of the officers of the Democratic and Republican state organizations in the deep south are Negro, the commission said, although Negro registration in 11 southern states has increased 1.28 million to a total of 2.8 million since the act took effect.

Almost 250 Negroes have been elected to public office in the South since the law was passed, and registration rose to 57 per cent of Negroes of voting age, it said.

Freeman Honors Extension Agents

WASHINGTON (AP) — Two Michigan extension agents were among five such federal employees receiving citations for outstanding service from Secretary of Agriculture Orville Freeman Tuesday.

Receiving the awards were Mrs. June Sears, Wayne and Oakland County family living specialist, and Albert Hall, Hillsdale County extension agricultural agent.

Card of Thanks

LaForest

I would like to take this time to thank all my friends, neighbors and relatives for all the cards, flowers and gifts I received while I was a patient at St. Francis Hospital. Also to the nurses and nurses aides on 3rd floor South who helped me during my recovery from surgery. Your kindness will always be remembered.

Mrs. Edna LaForest

In Memoriam

Larson

In loving memory of our cherished son and brother, Marvin Richard Larson who was taken from us 2 years ago, May 15, 1966, for reasons we cannot understand we share endless heartbreak once again: And yet, in days to come When we too, shall reach the unseen land Where bitter partings are no more Perhaps then we'll understand.

Sadly Missed By Mother, Sisters and Brothers

1. Announcements

WHEREAS, The City Manager has duly filed and submitted to this Council the annual budget as provided by the Charter for the ensuing year.

RESOLVED, that said budget be printed forthwith for public distribution as required by the Charter.

RESOLVED, FURTHER, that in accordance with the City Charter, the Council hereby fixes the date of May 16, 1968 at the hour of 8:00 P.M. for public hearing on said budget as submitted, and at said hearing an opportunity will be given to all persons interested to be heard.

RESOLVED, FURTHER, that the Clerk publish in the Escanaba Daily Press, a newspaper published and circulated in the city, a copy of this resolution once each day for a period of six (6) days prior to the date set by the Council for the public hearing.

Passed at a meeting of the City Council held April 10, 1968.
Donald J. Guindon,
City Clerk

Ann Arbor News Plans To Start Sunday Edition

ANN ARBOR (AP) — Arthur P. Gallagher, editor of the Ann Arbor News, has announced the 134-year old newspaper would publish a Sunday edition, beginning June 30.

"The community is growing rapidly and we are trying to do something about the news gap that exists now from Saturday noon to Monday morning," he said.

The Ann Arbor News, which started out as a weekly, has been a six-day-a-week publication for many years.

"It is kind of exciting, this business of adding a Sunday paper," Gallagher said. "We have been talking about it for a couple of years."

The newspaper recently added a 96-page press and completed its second building addition in two years.

Gallagher said the paper's news staff would be enlarged because of the Sunday edition.

City Lawbreaker

PAWTUCKET, R.I. (AP) — A Pawtucket law bans animals from Slater Park—the home of the city dog pound and the zoo. The law was passed in 1916 and was uncovered when the City Council was briefed on Pawtucket dog laws.

Tax Dependent
On Budget Cut,
Say Congressmen

WASHINGTON (AP) — Congress members close to the tax controversy are speculating President Johnson will have to accept a tax bill containing a \$6 billion budget cut or there will be no tax bill at all.

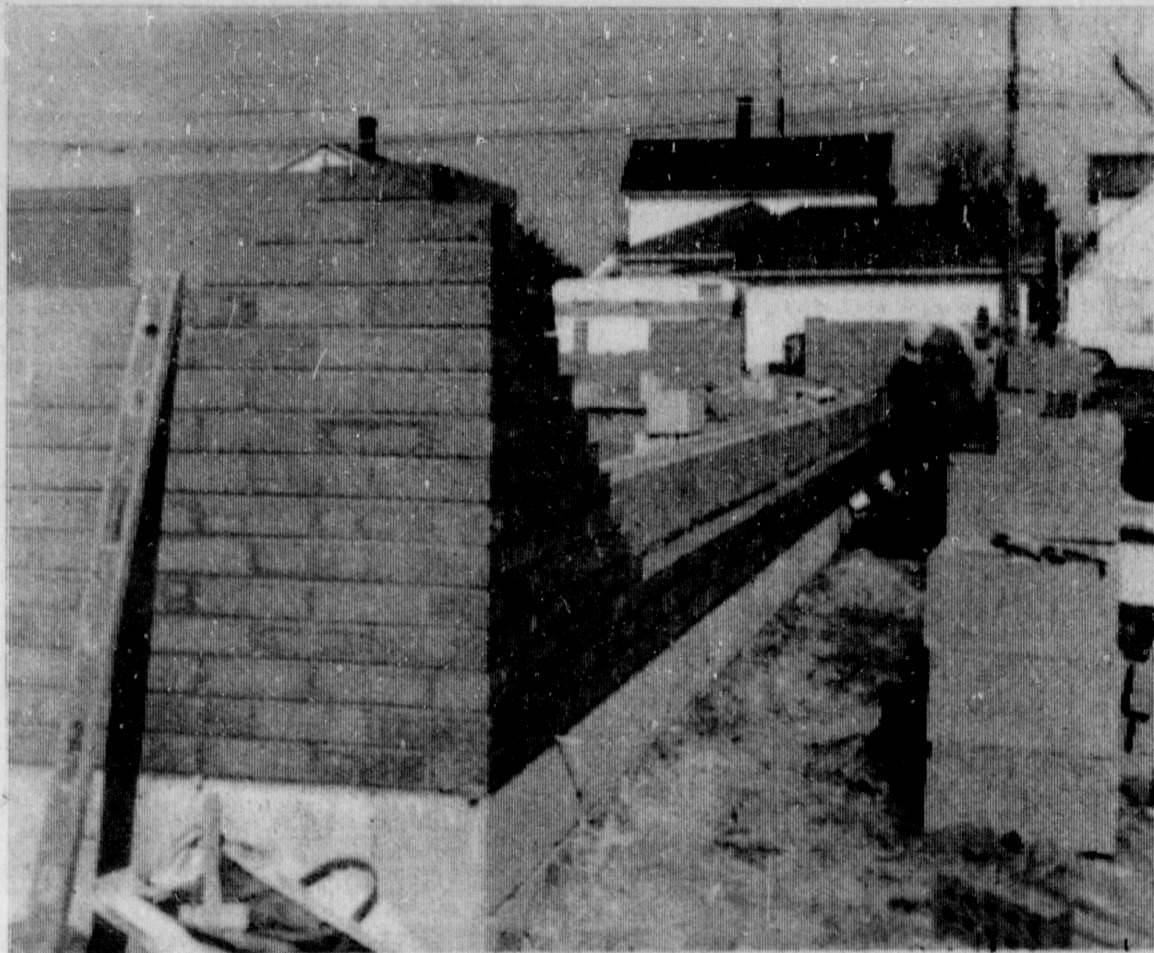

Johnson has labeled a \$6 billion slash as unacceptable although he has repeatedly pleaded for early enactment of his proposal for a 10 per cent surcharge on income taxes. But Secretary of the Treasury Henry H. Fowler told Congress Monday he would accept a \$6 billion cut in order to get the tax hike.

In England, the Pilgrims were known as Separatists.

TV Translator
Groundbreaking
Plan Announced

Ground will be broken Saturday, May 18 by U.P. T-V Systems Inc. to signal the start of construction for a television translator station to improve Escanaba area TV reception.

Present to help U.P. T-V Systems President Richard Abraham turn the first spadeful of dirt will be Escanaba Mayor Cecil B. Chase, Matt Smith, Walter Lewke, and beauty queens of Delta and Dickinson counties.

An entertainment personality — Bozo the Clown — will be at the groundbreaking and at the J. & R. Store from 1:30 to 4 p.m. on Saturday. There will be free ice cream and children will see themselves on television with Bozo and will have the opportunity to have a color picture made of themselves.

The system will bring improved reception of all networks on an ultra high frequency wave length, Abraham said.

The translator is supported by public subscription. In the Escanaba area, Abraham added, a translator hook-up costs \$18 annually. Some 1,600 area TV set owners have signed and paid for the translator hook-up. For the program to become self-sustaining and continue on a break-even basis Abraham said his firm needs an additional 1,200 subscribers.

Translators are a unique method of delivering top quality television signals into homes with no cables or other special hook-ups, he noted.

The name of the system denotes just what happens, he explained. A television signal is picked up by a special receiving station on a VHF wave length and changed into a UHF wave length. A special antenna system will be located at the translator site to pick up the three television station signals. The signals are then directed to special "translators," complicated electronic equipment.

These translators receive the signals amplify them and change them from a very high frequency signal (normally received on a home set) to an ultra high frequency signal. The re-amplified or strengthened signal then is beamed back up the tower and supplied to a series of special transmitting antennas clustered at the top of the tower.

Technicians from J & R Ra-

dio & TV Escanaba will maintain the translator system and will make the necessary adjustments in home sets to receive the UHF signal.

Translators are unique in that they use signals already present but marginal for most home set users and beam them into homes with excellent quality and a minimum of cost to the subscriber. The system also has been noted, Abraham said, for its ability to deliver a high quality color signal where that signal has been marginal in the past.

Should Escanaba area residents help fill the needed quota for translators, U.P. Systems will initiate a senior citizen program at a future date. The senior citizen program would provide lower cost translator service to individuals over 65 years of age. If Escanaba has 2,800 or more subscribers, then individuals at age 65 would receive the translator hook-up for \$9 annually.

"If our goal is surpassed, the senior citizens program would be reduced accordingly with the hope of eventually eliminating any charge to the senior citizens," Abraham announced.

Air Travel
Here Booming

North Central Airlines is doing boom business at Escanaba Airport.

Airport promoters said that when the airline added an evening flight so that local business visitors didn't have to drive to Iron Mountain to get a night flight south, it would stimulate local airline traffic.

North Central added the night flight on April 28. The prophecy was true; business is booming.

There were 400 boardings here in May up to Monday, compared with 776 in April, which in turn was 28 per cent over 1967 traffic.

The airline estimated 850 boardings here this month and now expects that figure to be topped.

Its flights up to now arrive at 10:03 a.m. (Convair), at 3:29 and 8:55 (580's).

Its flights down now leave at 7:26 a.m. (Convair), 12:52 and 6:16 p.m. (580's). All flights south connect at Green Bay with flights for Southern Michigan and Chicago, the first flight by 580, and the others by DC9 jets.

Honor Society
Elects Officers

The Mid-County Chapter of the National Honor Society held its annual dinner meeting and election of officers on Tuesday evening May 7, 1968 in Stephenson High School. Robert Voelker, advisor of the society, and Tom Jernstad and George Bishop who are student teachers at the high school from Northern Michigan University, were guests.

Officers elected are: President, Darrell Preis; Vice President, Clark Johnson; Secretary, Barbara Wangerin; Treasurer, Karen Lyne.
